LIBRARY CLUB BENEFIT TEA

KLAMATH FALLS WOMAN'S LIBRARY CLUB members went south-of-the-border—"down May-he-ko way," to get decor inspiration for the annual club-sponsored benefit bridge tea slated for February 25, at 1 p.m., in the Willard Hotel.

A few of the many "finds" are shown above with members of the decorating committee who met during the past week for a 1 p.m. dessert and afternoon of fun and work at the home of Mrs. James Thornton, chairman.

At the left, Mrs. Thornton models a Mexican hat and displays a couple of other items of garb from a Mexican wardrobe; Mrs. John Ashley, next to her, wields what might be a Mexican version of a switch-blade or perhaps paring knife. Other committee members are, from the left, Mrs. Joe J. Thomas, Mrs. A. V. McVey, Mrs. Floyd Boyd and Mrs. Leo Huls.

The afternoon was mainly concerned with working out decoration plans for the 1956 benefit bridge-tea with the theme "Old Mexico" in mind. Many such afternoons are put in annually by many Library Club members to assure the success of each year's event—and the continuation of the club's tonsillectomy fund.

Your patronage will help pay for some needy child's necessary tonsillectomy and will be a permanent contribution to his better health.

The 1956 event is scheduled for Saturday, February 25, 1 p.m., in the Willard Hotel Pine Grove Room, and all members and other interested women are urged to attend.
