STUDENTS REPRESENTING FREMONT and Altamont Junior High Schools were entertained recently by Miss Clara Shepard, home economics instructor at Klamath Union High School. This annual event is staged for eighth grade girls from Altamont and Fremont to give the girls an idea of what to expect, if they sign up for home economics next spring. Altamont was invited during the morning, while Fremont arrived in three groups throughout the afternoon. The girls were served punch and cookies by the girls in Miss Shepard's classes this year. A POET'S RIGHT

By Raemarie Neal

For the words to express my thoughts,
In true and touching way,
Oh! For the time to feel free,
I'd write 'most every day,
To plant a flower on yonder hill,
To paint a sunset bright,
For what more could a poet ask,
But a chance to claim his right?

"HUMBLE"

By Raemarie Neal

If one could learn to wear a smile,
When scorned and laughed aside,
To turn with love and speak no word,
When man has hurt vain pride,
If one could have a child-like faith,
To trust in God above,
To him would come a brighter day,
And much-perfected love.

Senior Spotlight

By CLEO BRAATHEN
Senior Class Editor

Marilyn Kathryn Hersey is another senior who plans to attend the University of Oregon in general education. She was born June 21, 1938 in Cottage Grove, Oregon. She is now 5'5" with sparkling green eyes and brown hair.

Music is traditionally a strong interest for students. Marilyn prefers the band of "Duke" Ellington, the songs "The Barefoot Contessa" and the Rhythm and Blues theme.

People who don't participate in school activities are her well-remembered pet peeve. Her most memorable moment occurred when she was elected Secretary of Girl's League. Marilyn's activities are varied: Job's Daughters, Girls' League, Tri-Hi-Y, Latin Club, Ski Club, and Pep Peppers.

She may be seen with Jerry, Ann Beverly, Shirley, Royann, Margie, Jymmie, Bonnie, Zeida and Naoma.

Nancy Carolyn Hopson was born in Portland, Oregon on April 8, 1938. "Vivacious" is the word for this 5'5" Senior girl. She has brown hair and blue eyes.

The song "Love is a Many-Splendored Thing" and the singer, Eddie Fisher, constitute her preferences. Nancy's dislikes are few.

1956's VALENTINE SWEETHEART from Klamath Union High is Betty Barrett, who burst through the News Nugget heart just as Photographer Dwayne Prather snapped the shutter. Betty is the Journalism Department's second Sweetheart to be selected. Each year's queen is chosen by Nugget staff members, who endeavor to choose a royalty with "humility" best shown. The beautiful paper heart was painted by members of Mr. Howard Hall's Art staff, and the wooden frame was constructed by student members of Mr. Francis Scappell's Woodworking class.

Students Hear 'Harmonaires'

By CARLA TOMLIN
Reporter

An enthusiastic audience received the "Harmonaires." Barbara Pearson, pianist and mezzo-soprano, and Lawrence Smith, baritone, at Klamath Union High School's 5th National School Assembly recently. Their theme, "Songs that everyone enjoys," was adhered to by the singing of show tunes, spirituals, sacred, old-time, and previous-popular to late popular. A few of the favorites the Harmonaires sang were "Goodnight Irene," in which the students were asked to join in the chorus; "Sixteen Tons," "Hey There," "Old Man River," "My Skinny Baby," "The Lord's Prayer," and "There's No Business Like Show Business." Making a perfect conclusion, they sang "I'll See You In My Dreams."

Lawrence Smith was born in Richmond, Virginia, and began his stage experience at the age of four. His musical education began in the deeply-moving and strangely-religious background of his people where he, his mother and two brothers made their livelihood with their musical talents offering programs in churches throughout the Southern states. He is a graduate of the Julliard School of Music in New York, the New York College of Music, and the American Theater Wing, and is pre-eminently qualified in his field. Mr. Smith has appeared in the New York City Opera Company, on radio, television and concert field, and has appeared on Broadway.

At the age of nine, Barbara Pearson began her piano education. When twelve, she was the winner of several high awards in the field of piano. Miss Pearson is also a graduate of the Julliard School of Music, Queens College of New York, and the Musical and Art Institute. She has appeared in radio, television, and on the concert stage throughout the North and South.

'FHA' Holds Family Chow In Cafeteria

By SHARA LOOMIS
Reporter

Approximately 80 people attended the Family Night held by the Future Homemakers of America recently in the Klamath Union High School Cafeteria.

One of the FHA's goals in the planning of the year's activities was to arrange a family program. To accomplish this the organization arranged a night in which each family would bring their favorite dish to share with other families. The girls of the group chose their favorite dish and a recipe was submitted to be printed in the book of favorite recipes printed by the State Future Homemakers of America.

Some of the foods brought by the families were salads, casseroles, breads and desserts. Milk and coffee were furnished by the organization.

After the dinner, Julia Valdez, entertainment chairman, led the group in games. The families winning each game received prizes. Nancy Cox, president of FHA, then led the gathering in a group of fun songs.

"Angel Delight Dessert" was voted upon by the girls as the dish to be submitted to the State cookbook. The Chester Owens family brought the dish. The Willard Ce-
