

Flyers In Tailspin . . .

SF Dons Top Poll—As Usual

Top Ten Quintets Shuffled

By THE ASSOCIATED PRESS
San Francisco has all but permanently appropriated the No. 1 spot among the nation's college basketball teams.

Three unranked teams rose up to beat foes in the select 10 and the free-wheeling Dons were left as the only undefeated quintet in major college ranks.

Louisville, although upset by Xavier (Ohio), atoned by beating Dayton for the second time this season and knocking the Flyers from the runner-up spot down to fourth.

Illinois moved into second place and Louisville vaulted into third on the ballots of sports writers and broadcasters.

Kentucky's defeat by unranked DePaul dropped the Wildcats down a peg to eighth place. And North Carolina State, after dumping Duke suffered a damaging loss to unranked Maryland and dropped one spot to sixth.

Vanderbilt moved from sixth to fifth on the strength of victories over Tulane and Tennessee, but the Commodores' tenure may be short-lived after dropping an SEC decision to Kentucky last night 70-55.

Other changes in the top 10 saw North Carolina (No. 9) swap places with Temple (No. 10) and Alabama move to seventh from eighth.

The Dons, sailing along on the wings of an undefeated string of 46 games, amassed 86 first-place votes and a total of 1,301 points. San Francisco now has held the top spot for 16 straight weeks, five from last season.

The Illini, who accumulated 18 first-place ballots and 1,708 total points on the usual basis of 10 for first, 9 for second, etc., strengthened their second-place spot with a rousing 102-77 victory over Purdue last night.

St. Francis of Brooklyn dropped its first game over the weekend after 18 victories to St. Joseph's (Pa.).

Ice Scoring Honors Held By Beliveau

MONTREAL (UP)—Jean Beliveau, Montreal's one-man scoring machine, cautiously set his sights on teammate Maurice Richard's National Hockey League record of 50 goals today as he began to pull away from the field in the scoring parade.

Including games played last Sunday, the red-hot center topped the league with 41 goals and 31 assists for 72 points, six more than runner-up Gordie Howe of Detroit.

Big Jean collected four goals, including a "hat trick" against the Rangers Saturday, and two assists to pick up six points last week.

Richard, hockey's all-time scoring leader, also added six points to take over sole possession of third place with 41 points. The fiery, 34-year-old Rocket, now in his 14th year with the Canadiens, has 33 goals this season and a career total of 455.

New York's all-time Batheau climbed a notch to fourth place on a four-point week to boost his total to 58 points, one ahead of Toronto's Tod Sloan, who slipped from third to fifth.

Beliveau had the most goals (41) and Olmstead the most assists (46). In all, the Canadiens No. 1 line has 174 points on 72 goals and 102 assists.

Lou Fontaine of New York continued to lead the parade to the penalty box with 162 minutes but Toronto maintained its team "honors" in the same department with 917 minutes.

Montreal's acrobatic Jacques Plante, headed for his first Vesina Cup Trophy, remained the only goaltender with a goals-against mark of less than 2.00. Through 56 games the Canadiens have allowed 103 goals for a 1.77 average. Detroit's Glenn Hall (2.07) had the most shutouts, 10.

Malin Picked To Win County Cage Tourney

Table with 4 columns: Team, W, L, Pct. Lists County B League basketball results.

Coach Jim Conroy's Malin Mustangs open defense on their 1954-55 County B League basketball championship this week as the season's County B Tournament opens Thursday and continues through Saturday night in a 10-game cage classic to be played at Henley High School and KUHS' Pelican Court.

Malin won last year's post-season tournament, and is expected to repeat this weekend after rolling through regular season play with a 6-0 league record, and a 19-1 over-all season's mark. The lone loss came at the hands of Tulelake, early in the year.

O'Brien Tabbed As Tops

By OSCAR FRALEY
Unless Oscar Sports Writer O'Brien, the handsome husky from California, stands head and shoulders over the field today as the outstanding athlete of 1956—and he'll take a lot of beating.

Personally, I don't think anybody can touch him. His feat in putting the shot 66 feet, 5 and 1/4 inches in the National AAU championships Saturday night was, whether or not you are a track and field enthusiast, almost inconceivable.

It made him the Babe Ruth and the Bobby Jones of the short pants sport.

Nobody but Ruth ever hit 60 home runs in one season. Nobody but Jones ever slammed golf's British and U.S. open and amateur championships in one year.

And nobody but O'Brien ever heaved the 16-pound shot 66 feet—let alone 61 plus.

NO ALIBI
It was a completely outstanding performance under adverse conditions. His fantastic toss was accomplished indoors, at Madison Square Garden. Not a man who needs an alibi, the 225-pound Parry when he came east for his indoor efforts had pointed out analytically that indoor shot putting was not conducive to record breaking.

"There's a lot of difference between putting indoors and outdoors," he explained. "The most important, probably, is the difficulty of getting the 'feel' of the larger, covered shot used indoors. The difference means several inches, at least."

So what did the man do?
A week earlier he flipped the big iron ball 59 feet, nine inches for a new world indoor record by breaking his own indoor record by some five inches.

Stop now, before considering his performance a week later in the AAU championships, and remember that at Helsinki in 1952 he won the shot put championship with a new Olympic mark of 57 feet, 1 1/2 inches.

Subsequently he created the outdoor mark of 69 feet, 10 inches. FOULED OUT
So last Saturday night he started off with a pair of fouls as his motion carried him out of the shot put circle. One measured 59 feet, the other one 60 feet. Then, fearful that he might not qualify, he settled for 58.5 and 59.4 heaves, made while practically standing still. Then he fouled off a 59 footer—and finally threw caution to the winds with a world's all-time best of 61 feet, 5 and 1/4 inches.

And every toss was better than the outdoor Olympic record.

But Parry, a lieutenant in the Air Force, still isn't satisfied. He's figuring on a shot put—discuss double in the Olympics and is hitting 180 feet consistently with the metal plate. The Olympic record is 180 feet, 6 1/2 inches.

"Very happy" with his shot put world record, O'Brien is "really excited" about "finding myself" with the discs.

But then, why should he be excited about throwing the shot 61 feet, 5 1/4 inches when no other man ever has hit 60 feet? After all, the young man thinks he'll hit 63 feet before he's finished. And he'll probably do it, too.

Times Denied By NASCAR

DAYTONA BEACH, Fla. (AP)—The National Assn. for Stock Car Auto Racing Monday ruled out Sunday's standing mile acceleration runs for U.S. sports cars because of a misinterpretation of the rules. It ordered reruns made Wednesday.

Chuck Daigh of Long Beach, Calif., posted the fastest time of 92.14 miles an hour in a 1956 topless Ford Thunderbird Zora Arkus Duntov of Detroit was runnerup with 86.88 m.p.h. in a 1956 topless Chevrolet Corvette.

Bill France, NASCAR president, and Tom McCall, speed trials director, said neither car passed a post-race inspection by the technical inspection committee.

"There has been a misinterpretation of the rules by all parties concerned," France said. The inspection committee found all cylinders of all cars had been bored larger than the rules permitted.

Boxers Johnny Holman, Bobby Boyd and Luther Rawlings are managed by Bernie Glickman, Chicago industrialist.

Paul Arizin Holds Margin In Point Race

NEW YORK (UP)—Paul Arizin, the sharp-shooting ex-Marine of Philadelphia Warriors, has established a 60-point margin between himself and his nearest pursuer in the National Basketball Association's scoring race.

Last year, Malin rambled through the tourney by knocking off Gilchrist, Merrill and Chiloquin in the final game. Sacred Heart captured the consolation trophy by winning over Paisley and Bonanza after losing their first round game to Chiloquin.

The winner of the three-day cage circus will meet St. Mary's of Medford in the District 5-B playoffs at Southern Oregon College, March 2-3. St. Mary's has won 19 and last three. Two of the three defeats in games with the SOC Junior Varsity.

Arizin, winner of professional basketball's scoring championship last year, has collected a total of 1,396 points via 501 field goals and 394 free throws through games played Feb. 19.

Bob Pettit of St. Louis was in second place with 1,236 points in while Neil Johnston of Philadelphia and Clyde Lovellette of Minneapolis were tied for third with a 22.0 mark.

From the floor, Arizin's rate of marksmanship is 45.5. Johnston's is 45.4 and Larry Foust of Fort Wayne is third best with 44.7. Big Dolph Schayes of Syracuse has been top man at the foul line with an 89.6 average, followed by Bill Sharman of Boston with 87.7, and Dick Schmitzer of Minneapolis with 85.2.

Rookie Maurice Stokes of Rochester continued his mastery of the boards with a total of 900 rebounds grabbed and Pettit was second with 883. Bob Cousy of Boston was far and away in front in assists with a total of 593.

The Hawks snapped a six-game losing streak Monday night by edging the Fort Wayne Pistons, 84-82, on a last second basket by Bob Harrison in a neutral court game at Kansas City.

In a doubleheader tonight at New York, the Knicks entertain Royals play the Pistons. The Hawks return to St. Louis for the American Assn. National and the game with the Boston Celtics.

Oregon Tech Owls, Raiders Tangle In OCC Cage Battle

Table with 2 columns: Team, W L Pct. Lists Oregon Collegiate Conference basketball results.

With their multiple zone defense and game uniforms packed, Oregon Technical Institute's Owls journey across the GreenSprings tonight for an important meeting with the Southern Oregon College Red Raiders at Ashland. The battle will be the fourth and final Oregon Collegiate Conference meeting between the two schools this season.

Tip-off time is 8 o'clock at the SOC gymnasium. The Tech junior varsity and Raider jayvees will tangle in the preliminary contest starting at 6:30.

Coach Wally Palmberg's Oregon Tech Owls have the most at stake in tonight's fracas as the Ashlanders home court, but the Southern Oregon prestige up for grabs is also a large armload. Should the Owls win tonight's meeting at Ash-

land and go on to sweep this weekend's series against Oregon College of Education, they would finish the season in a deadlock for third place with the Raiders.

If the Raiders win, it would assure them of sole ownership of the number three position in the final standings as the race heads into the final week of action. In case of a Red Raider victory, Palmberg's Owls would have won both of their OCE games to stay out of the league's cellar position, a spot that the Monmouth Wolves now hold.

In the three games played so far this year between the Owls and Raiders, the Mile High Campuses club has come off the victor on two of the occasions, both times by wide margins. Tech has won 69-49 and 73-46, while losing a 69-66 decision at Ashland. In all three games, Tech's multiple zone defense has plagued Southern Oregon's run-and-shoot style of basketball.

Palmberg said this morning he would floor the same starting five that he has used in the past several outings by the Tech hoopers, John McCutcheon will draw the center spot, while Bobby Whitman and Ted Fischer will hold down the backcourt assignments for the Techers. In the front-line forward posts for the Owls will be Johnny Foster and Jerry Faesten, the Owls' two leading point makers.

Paul Hatcher, a guard, and Bob Frost, a forward, may figure in the Owls starting lineup if any late minute changes are made. Other Tech engers making the trip are Terry Blair, Cal "Sugar Jet" Smith and Richie Perkins.

For Ted Schopf's Red Raiders, high-scoring Bill Hollingsworth will probably be at center, while Klamath's Guy Munsell and Lloyd Hoffme are expected to draw the opening forward duties. The two guard slots will be given to Dale Bates and either Ted Turner or Chuck Crandall. Punk Biddington or Hal Titus may open against the Owls at forward and center respectively.

In the last meeting between the Owls and Raiders, Tech's zone checked the top leading SOC scorers—Hoffme and Hollingsworth—six and seven points respectively, a factor that played a vital role in SOC's downfall.

Dodger President Walter O'Malley was scheduled to fly to the club's Vero Beach, Fla., training camp today along with several players, including Roy Campanella and Billy Loes. Don Newcombe left by train Monday but World Series hero Johnny Rodgers was given permission to report later due to his grandmother's illness. The Red Sox announced the signing of pitcher Ivan Delock and Al Schroll. Delock had a 9-7 record with Boston last season and dropped six at Louisville in the American Assn.

The White Sox staged their first spring drill at Tampa, Fla., and Manager Marty Marion put 48 players through a four-hour session under a blazing sun.

Back on the home front, the Dodgers announced the signing of pitcher Don Bessent, who posted an 8-1 record, chiefly in relief, with them last year.

Bessent's acceptance left outfielder Sandy Amaro and Chico Fernandez as the only unsigned Brooklyn players.

At St. Petersburg, Fla., the Yankees' rookies engaged in their first intra-squad game with the "Dickeys" defeating the "Grosbeats," 5-1. Jim Dunn, who relieved Billy Shalt in the seventh inning, was the winning pitcher.

The Yankees also announced the signing of shortstop Woody Held, who hit .261 with Denver of the American Assn. last season. Branch Rickey was a visitor at the Phillies' camp at Clearwater

le will be the fourth and final Oregon Collegiate Conference meeting between the two schools this season.
