

### Tentative Plan Studied

Studies have progressed to a point where the District Office of the California Division of Highways at Redding is able to reveal a tentative plan for relocation of a section of the Susanville-Alturas highway beginning at the Pit River just north of Likely and extending to 6 miles south of Alturas. This will be a freeway with limited access.

The proposed location is generally parallel to that of the present highway but is located to the east with the exception of one short section about one mile in length being some 2 1/2 miles from the north end of the section which is on the west side.

The new road will have a shorter and more direct location, and when built will permit it to be a modern highway link. It will replace the present state highway in this area which was never located as a highway but simply matured from a trail to a county road and was finally taken into the state highway system and provided with surfacing sufficient to take care of the existing traffic.

It should be noted that the present relocation plan does not contemplate immediate construction. It is a necessary preliminary step whereby the location of the future highway is determined so when actual construction funds are available everything will be in order to proceed.

A public meeting to review general features of the proposed location will be held in the Fire Hall at Likely the afternoon of March 6 at 2 p.m. At this time a representative from the Division of Highways in Redding will be present and will be glad to answer any questions of anyone who desires to appear at the meeting for further information on the project.

### Weed Cubs Plan Trip

WEED — The Weed Elementary A Cubs will travel to Redding Saturday February 25 to vie for their third basketball tournament championship this season. The cubs won the first tourney in the Weed school history by winning the championship trophy at the Dunsuir Recreation Tournament December 10, and won their second championship, also this season, when they took the title trophy at the Yreka Elementary Tournament February 28.

In the Yreka schedule the cubs defeated Klamath Falls, Sacred Heart Academy, Dunsuir Tigers and Redding Sequoia A hoopers, in their advance to the championship. This week's Redding Elementary School Tournament slates teams from Yreka, Anderson, Weaver, Red Bluff, Dunsuir, Redding Sequoia-A and Sequoia Bumpers and Weed. The Weed team will meet the Sequoia Bumpers in their first game at 10 a.m. Saturday. The tournament will be staged in two separate gyms, permitting faster play-off, and the final game is scheduled in the boys gym at 2:30 p.m. Saturday afternoon.

DEBATE ENDS LONDON (AP) — A two-day debate on Britain's financial position has ended with a 325-259 vote of confidence in the Edou government's new anti-inflation moves.

### "Paul says I'm a peach!"

Paul thinks it's just wonderful the way I keep our house looking practically perfect and still have time to do so many other things. The plain truth is that I've found faster, easier ways to get my work done. Take wood floors. Cleaning and waxing them was something fierce. I can still remember how my muscles ached for days after. But not now. It's almost a pleasure with Bruce Cleaning Wax. There's no floor washing at all! Bruce cleans and waxes at the same time. And my wood floors really look beautiful. Much nicer than when I did them the hard way. If you have wood floors, you'll really appreciate Bruce Cleaning Wax.

Incidentally, I've found other Bruce floor products help me, too. There's Bruce Floor Cleaner for cleaning and lighter waxing. Bruce Paste Wax. Bruce Asphalt Tile Cleaner. Bruce Asphalt Tile Self-Polishing Wax and the new Bruce Self-Polishing Wax. Yes, for floors it's Bruce!

GUNNAR J. MALMIN

### Lutheran Choir To Sing Here

Under the direction of Professor Gunnar J. Malmn, the Pacific Lutheran College "Choir of the West" from Parkland, Washington will give a sacred concert here February 25 at the Mills Auditorium at 8 p.m.

Now in his 19th year as director of the choir, Professor Malmn is renowned in church music circles for his compositions and arrangements. He has arranged many of the famous hymns of the church for choir use, and has written several original compositions including the Christmas cantata, "Bethlehem."

Professor Malmn has studied abroad two different years. In 1924 he took work at the University of Oslo, Norway. Returning to Europe in 1929 on a Fulbright scholarship, he made a study of music education in Norway, Denmark, Belgium and Germany.

Prior to coming to Pacific Lutheran in 1937, Professor Malmn taught music at Drake University and Dana College. He received his bachelor of arts degree from Luther College and his bachelor of music degree from St. Olaf College, where he studied under F. Mellus Christensen. He received his master of music degree from the University of Michigan.

### Merrill Legion Group Meets

MERRILL — The Veterans of Foreign Wars auxiliary held a social meeting on February 15 at the home of Marjorie Hodges, Marion Knox was secretary pro-tem.

Plans were shown by Patty Duncan for the kitchen to be built in the proposed new VFW hall. Margaret Loper, Mary Lou Swisher, Grace Walker and Patty Duncan were appointed to the nominating committee for election of officers.

Refreshments were served to 13 members by Norma Wilson and Margaret Loper.

### Local Interim Meet Planned

Fringe areas throughout Oregon all face the same problems of sanitation and annexation, according to reports given by the Oregon Interim Legislative Committee on Local Government. This report was reviewed by Truman Runyan, chairman of the Klamath County Chamber of Commerce Civic Affairs Committee, at a meeting Tuesday morning in the chamber offices.

The meeting was held to lay plans for the Interim Committee's hearing scheduled for Friday, March 2 at 7:30 p.m. in Mills School auditorium.

Runyan stated that transcripts received from the committee show that sanitation problems are the chief concern of most Oregon cities. This problem is consistent with all growing communities throughout the United States, according to the report.

Another pressing problem facing growing urban and suburban areas is that of overlapping tax districts and the ponderousness of existing Oregon annexation laws, stated Runyan.

The chamber chairman read a statement which has been prepared by his committee and will be presented to the interim group at its Klamath Falls hearing.

This statement advocates legal provisions for small landowners to withdraw from irrigation districts and for the settlement of sanitation and other problems in the suburban area.

Tax and irrigation district officials, mayors of the county's communities, labor leaders, and other interested individuals have been invited to present briefs at the interim hearing, Runyan said.

Tuesday's meeting was attended by chamber officials, residents of the suburban area, representatives of the county health department and a representative of the Klamath County Court attended the meeting.

NEW GERMAN JETS BREMEN, Germany (AP) — A former Bremen aircraft factory will start assembling U.S. jet planes for the new German air force next year, a company spokesman announced Wednesday. The company, Weser Flugzeugbau, will assemble F4F Thunderbolt fighter-bombers and reconnaissance planes of the RF4F Thunderflash type from parts shipped from the United States.

ROBERT VAN VACTOR

### Judge's Son Gives Recital

Robert Van Vactor, son of Judge and Mrs. D. E. Van Vactor, was presented by the Willamette University College of Music following the recital.

At Willamette University, Robert has been a pupil of Stanley Butler, associate professor of piano and music literature. He is a member of the university band and choir and is song leader for Baxter Hall. His group won the men's division in the All-Campus Sing during the May weekend festivities last year. His study of music began in Klamath Falls.
