DuBarry Hair Preparations Give "Born Beautiful" Look

It was not so many years ago when hair was just something you hid under a new hat, or experimenting your "crowning glory" could easily turn into a frizzy mess unless you had the time and money to give it regular professional salon care.

But today's beauty knows that sleek, shining head of hair that looks perfectly groomed always, is quite as important as a radiant complexion and the right makeup. And now, thanks to a new formula line of "hair-doers" just introduced by DuBarry, any woman can give her hair new beauty, new curl, new shine and softness with a speed and ease never before possible.

DuBarry presents a new way to curl hair with DuBarry Perfect Permanent. There is lanolin in the waving lotion, in the end papers and in the neutralizer, protecting against frizziness every step of the way. The result is a truly lasting, strong springy curl that looks soft and shining right from the very first day but takes only minutes of time.

DuBarry has created a Perfect Pin-Curl Permanent, too, a wonderful time and bother saver with

special pins for easy no-stain curling, specially designed curlers for difficult back hair and a new Speed-Dry Neutralizer you just pour on. You can safely dry your hair in the sun or under an electric dryer instead of waiting hours for your hair to dry by itself.

The new DuBarry Shampoo takes only one sudsing to get your hair gleamier - cleaner than it's ever looked. It contains Vibrasol, a wonder ingredient that instantly removes every bit of dulling film, un-

is curled right into the hair every step of the way. It is pleasant to use, too, because the harsh ammonia odors have been eliminated. It is quick and results in stronger, softer, easy to manage curls. The new DuBarry Hair Line includes Perfect Home Permanent, Perfect Pin-Curl Permanent, Shampoo with Vibrasol, Luminette Creme Rinse, Dandruff Lotion, Best Dress Creme Dressing — to make your hair look "born beautiful."

covers hidden sparkle, lights up your hair with radiant, healthy beauty. Quick lathering, it rinses out so easily and completely and never, never dries your hair because it has a non alkaline formula. DuBarry's new Luminette Creme Rinse is the first of its kind because it requires no mixing, waiting or rinsing out. Just shake a little on after shampooing and comb through the hair to give it an easy manageability that it almost sets itself. Formulated to stay in your hair as a conditioner, it also leaves a delicate fragrance. DuBarry's Dandruff Lotion has

antiseptic properties that bring a tingle of health to your scalp and remove every speck of loose dandruff. Between shampoos, you'll find it is a speedy and efficient fresh-up treatment to remove dust and odor in seconds without even disturbing your set.

Best Dress is the name of DuBarry's new Creme Hair Dressing. Just a few drops control stubborn wisps. Keep your hair looking smooth and sleek all day. Lanolin-enriched, it is absolutely non-greasy, non-sticky, acts as an invisible control to make your hair behave as it should.

LOW CARS ARE SAFER
Autos of the future will probably be only four feet high to afford greater safety and resistance to turnover. The lowest-slung Ameri-

can production car is the Studebaker which won the title of "Safest Car in America" in its class because of its low chassis and other safety features.

STICKING DRAWERS

Drawers that won't pull in and out easily can be made to work by rubbing soap or beeswax along

the edges. If the drawer is actually too large for the space, sandpaper edges with coarse sandpaper and then wax for smooth operation.
