Correct Answers to Meat Quiz

- government-licensed meat graders**
These experts judge meat for eating quality and stamp the correct grade right on the meat. This grade is the consumer's guide to quality.
- they choose to stock government-graded meat**
Not all stores sell government-graded meat. Safeway does — every cut is from beef graded "USDA CHOICE." And only meat of top eating-quality gets this grade.
- Choice** — "Choice," "Good," "Commercial," "Utility" are terms used by the U.S. Department of Agriculture for grading meat. Alphabet grades such as "AA" and "A" are not government meat grades.
- government-inspected and passed as wholesome food**
This inspection is important, but it tells nothing about the meat's tenderness and flavor — only that it is wholesome food.
- This is the shape of the official grading stamp of the USDA:** 

Oranges California Sunkist Navels Large Size Approx. 35-lb. Carton \$2.49 lb. 9 1/2c	Grapefruit Arizona Marsh Seedless 8-Pound Mesh Bag 49c	Daffodils Full Golden Fresh Bloom A Sure Sign of Spring doz. 29c
