BOB SMITH, SOPHOMORE, with the assistance of two unidentified college Physical Education instructors, bends hard in testing his back muscles. Physical Education tests were given to all Sophomore Klamath Union High boys and girls recently. Placing first among sophomore boys was Steve Pong, with Gordon Sellers gaining second spot. Scores in the various tests were tabulated as part of a collegiate survey project. (Cutline by Orin Ormsbee and Photo by Dwayne Prather.)

PE Classes Undergo Tests In U Of O 'Fitness' Survey

By **DIXIE DIXON**

Klamath Union High School's Sophomore Physical Education classes have been quite active with volleyball, basketball, and swimming during the earlier part of the year. In the spring they will take up their bows and practice archery, and will possibly attempt creative dancing. They have completed their "sportsmanlike driving" course instructed by Miss Ella Redkey.

Radio Classes Complete Unit

HURRAH! Mr. William Fink's radio classes finally completed a television set that will work. Since the beginning of the school term they have worked on it but only recently have they been successful in its operation.

BLOW, MAN, BLOW! Bill Shreeves, Klamath Union High sophomore, is blowing into a device designed for measuring lung capacity. Bill is exerting not only chest exhalations, but the muscles in his entire body. Senior Mary McDermott (right) observes the scale on the "lung power" gadget, while another senior, Susan Derby, stands ready to record Bill's breath. All sophomores underwent the endurance tests in the KUHS Physical Education classes. Most students voiced enjoyment in comparing their "rank" with other members of their class in the various tests given recently. (Cutline by Orin Ormsbee and photo by Dwayne Prather).

Johnson Teaches Seniors

Miss Marie Johnson's junior and senior girls PE class has finished basketball and is now engaged in volleyball, tumbling, and work on the trampoline. During the last nine weeks of the school year, Miss Johnson said the 35 junior and seniors girls will begin swim-

ming, baseball, and tennis. Miss Johnson taught gym at Klamath Union High in 1951 and 1952. She then moved to Washington, where she taught gym for three years. Miss Johnson returned this year to teach PE classes at KUHS on a one more, and serve as Girls' Dean.

Miss Ella Redkey, who instructed the sophomore girls in gym earlier this year, is now instructing the freshmen girls who formerly took PE from Mrs. McGinnis, in "sportsmanlike driving." They will begin PE again the next nine weeks.

BOYS WORK ON BARS
Mr. Richard Vaillancour's sophomore boys' gym classes have finished with basketball, and are now working out on the parallel and horizontal bars, and are tumbling on the mats. They will continue with this through nine weeks.

The freshman boys are taking "sportsmanlike driving" from Mr. McGinnis this nine weeks. They will then continue with physical education for the remainder of the year.

Wrestling and basketball are the sports in which seniors have been participating. Mr. Len Surles teaches these classes, together with the junior boys who are taking nine weeks of health.

Some of the boys and girls in the classes took physical fitness tests on February 13 and 14. The tests were given by Dr. Clark of the University of Oregon teaching staff and his assistants for a survey. The examinations in this survey included back strength, leg strength, lung capacity, dynamometer grip, pull-ups, push-ups. The scores, or pounds of strength, of each individual were registered on scales, then recorded. Many high scores were made by the students.

HEART'S CRY
By Raehmarie Neal

Just let me know thy will, Oh Lord,
Just open wide my heart,
That when you speak, no matter how,
I'll hear and do my part.
Don't let me drift in worldly ways
To pray, please teach me how,
Keep me in Your pleasure, Lord,
Don't let my feet slip now.

Valentine Dance Held at Reames

By **RAEMARIE NEAL**
Arts Editor

An annual event was held at Reames Golf and Country Club Valentines Day from 8:30 to 11:30 p.m. Dancing to the music of the locally well-known Starlighters' Orchestra, a crowning ceremony, and the spirit which this day sparks, made a brilliant success of the Jobs Daughters' King of Hearts formal.

Intermission time brought the customary crowning ceremony. Jobs' Queen Pat Smith proudly placed the diadem on the head of their chosen king, Dale McKennie. Dale and his four knights: Ray Behnke, Bill Badorek, Paul Adams and Punky Adams, were elected several weeks before the dance by the members of Job's Daughters.

Besides Queen Pat, several other officers of the organization were present. These included: Senior Princess Mary Margaret Addison, Junior Princess Judy Hadley, Guide Sandy Adams and Marshal Sharon McConnell.

Betty Caviness, News Nugget typist, will complete her high school days at KUHS this June. One of her favorite classes is Miss Ruby Alloway's Speech group.

Senior Spotlight

By **CLEO BRAATHEN**
Senior Class Editor

Leavenworth, Kansas was the birthplace of James Edward Hickman, who was born there December 30, 1858. "Jimmy" has brown hair, blue eyes, and is six feet tall.

His favorite in the field of musical offerings is the song, "Night Train" and music with a slow rhythmic tempo. On the other hand, he dislikes the song, "Sixteen Tons" and any form of western music.
