

HAVE ANOTHER SINKER, SERGEANT! Mrs. Joe Thomas, left, Red Cross assistant and Mrs. C. U. Dacon, canteen chairman, right, urged more doughnuts and more coffee on Sgt. Charles Wagner of Battery D. National Guard after he contributed a pint of blood during the visit last night of the Red Cross bloodmobile at National Guard headquarters at the Klamath Falls airport. In spite of the late arrival of the blood truck that sent many would-be donors home without contributing, a total of 41 pints was received. The Red Cross personnel traveling with the bloodmobile left Portland at 8 a.m. and arrived here at 8 p.m. due to hazardous road conditions. The operation is continuing today from 10 a.m. to 2 p.m. at OTI. Wednesday, March 7, the program will be at the Elks Temple from 4 to 8 p.m. The quota for this month's visit of the bloodmobile is 550 pints.

HOME EXTENSION

COUNTY EXTENSION
By Mrs. Lane Smith
Mrs. Harold V. Borton (Louise) is serving her fifth year on the Klamath County Home Extension Advisory Committee. Louise is now serving her second year as chairman of the committee. Her husband is a caterpillar operator for the county. They have one son.

When she is not cooking at Klamath Union High School, or going to extension meetings, she is busy raising iris, which she enjoys as a hobby. Louise has been a member of the Lindley Heights unit for six years.

One of the duties of a county committee member is to visit each of the units assigned to her, aid with their problems and discuss county wide issues. Mrs. Borton represents Lindley Heights Klamath Falls, and OTI units.

The officers of Lindley Heights are Mrs. Alex Cammock, chairman; Mrs. Gordon Loomis, vice chairman and Mrs. Stanley Smith, secretary-treasurer. The unit sponsors two 4-H clubs. The unit meets the second Wednesday of each month.

Klamath Falls unit officers are Mrs. J. Pitts Elmore, chairman; Mrs. G. Hewitt, vice chairman, and Mrs. John Glubrecht, secretary-treasurer. Meeting date is the third Wednesday of the month. The officers of OTI are Mrs. R. L. Hessig, chairman; Mrs. Winston Purvise, vice chairman and Mrs. Earl Bailey, secretary-treasurer. Meeting date is the third Thursday of the month. The OTI unit started with only 12 members five years ago, and has increased membership to 21, an accomplishment of which they are very proud.

MRS. H. V. BORTON

Unit met for its February meeting at the home of Mrs. Bert Alberts with Mrs. Paul Herron and Mrs. Virgil Walker giving the lesson on care of the hair.

The meeting was called to order by chairman, Mrs. Walker. Following the reading of the minutes, Mrs. Bert Bickers made a plea for members to save Betty Crocker coupons for Azalea House silver service.

Due to the increased membership and average attendance at meetings it was decided that future meetings will be held at the Masonic Hall. There were 22 members and five visitors present.

The importance of good grooming was emphasized by the project leaders and different hair styles were discussed. Attention must be paid to age and facial features, they said.

A delicious lunch was served by the hostess.

Hall Says President Set For Full-Time Routine

KANSAS CITY (AP)—GOP Chairman Leonard Hall said President Eisenhower is ready for full-time duty in a second term but even if he could spend only half time at the job he would be better than anyone the Democrats have.

This observation came in a political battle of wits between Hall and Democratic Chairman Paul Butler last night on the Kansas City Press Club Griddle Show.

Butler promised the Democrats would retire Eisenhower completely next Nov. 8. And he said it was the President and not the Democrats who had injected health into the campaign.

Butler contended special interest on the Republican side and a Democratic program for all the people was the paramount issue. But he added:

"President Eisenhower is the first President ever to suffer a heart attack in office. And I say to you, Mr. Hall, it will be a sad day when the American people cannot question the physical and moral fitness of the man who heads our great government."

"Heart attack?" replied Hall. "Why many of my friends in government have had heart attacks and are carrying on as well as ever."

"Yes, and some of them are elsewhere," Butler rejoined.

The somewhat heated exchange was more or less expected as the club's interrogators first needed both Hall and Butler with humorous but provocative questions. Roy Roberts, president of the Kansas City Star, was moderator.

The fireworks started when Hall

was asked if the Democrats were going to make Eisenhower's health a campaign issue. It got even hotter when Butler was asked to tell why the Democrats should be returned to office.

Cartoonist Walt Kelly, also on the program, broke up rebuttals and sur-rebuttals with drawings and verbal support for his candidate—Pogo ("If you sweep him in you can sweep him out just as easy").

But at times there was no stopping the avalanche of political claims.

Butler wanted to talk about a billion-dollar drop in farm income last year and blamed the Republicans for it. And he said the small business man is complaining his volume and profits are down while the big corporations report increased earnings.

Hall said Butler "approached the brink of truth" in his summation and Butler replied that was a "good phrase coming from a Republican."

Tule Kiwanis Honors Youths

TULELAKE—Members of the Tulelake Kiwanis Club unanimously voted to continue sponsorship in 1956 of the 4-H Potato Club production competition inaugurated in 1955. The vote came at a dinner meeting at the Sportsman's Hotel on February 29 at which winning candidates of last year's contest appeared.

The dinner honored Ed Duckett, 1955 4-H Club Potato King. Steve Mitchell who grew the largest number of U.S. No. 1s on an acre of ground and Tony Tschirky who kept the best record book. All three winners gave brief accounts of their trip to San Francisco and the Bay Area, awarded in recognition of their efforts.

Gewin McCracken, potato club leader, and Bryant Williams, Klamath Falls, who accompanied the group also spoke.

Present for the dinner were Mr. and Mrs. Ed Duckett, Mr. and Mrs. Harry Mitchell, Mr. and Mrs. Julius Tschirky and other 4-H club members.

Peter Schwabenland, Kiwanis

committee chairman for the spud growing project talked on accomplishments of club members last year.

Stanley Reed, president of the Kiwanis club, announced plans for continuing support of the club members and stated that increased interest indicated that more boys will enter competition this season.

Everett Lynum has been named Kiwanis committeeman for the 4-H project this year.

The following sponsored the trip to San Francisco this year: Jack Cier, Northwest Produce, Sunny State Produce, McConnell-Blumenthal, Crater Lake Machinery Company, Floyd A. Boyd Implement Company, Tulelake Growers Association and Basin Chemicals.
