

Medical Tech Course Approved

The Medical Technology course department and Director W. D. Purvine. This approval enables graduates of the OTI course to take the registry examination of the national association in order to qualify for positions as registered technologists throughout the nation.

Of approximately 100 graduates of the medical technology course since its inception at the school in January of 1948, 93 have taken the national registry examination, and all have passed, Martin said.

Sudden Freeze Causes Wrecks

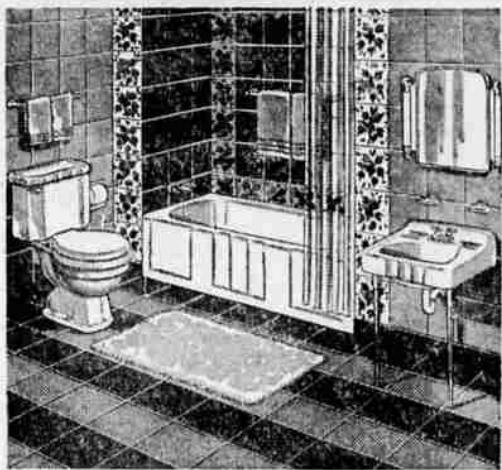

DUNSMUIR — Four cars were d a m a g e d, including Dunsmuir's new police car, on Monday evening due primarily to a sudden freeze of a light snowfall. Ernest Lemm Jr. of Chico lost control of his tractor and semi-trailer on entering the Dunsmuir business district from the north. He struck the parked car of Harry W. Bender of Dunsmuir pulling it crossways into the southbound lane. Officer Clifford Schwegel parked the Dunsmuir police car with red blinker flashing in the southbound lane to help him in the diversion of traffic. Angel Goines of Dunsmuir, also southbound, lost control of his car on the ice and plowed into the police car narrowly missing Officer Schwegel who was directing traffic.

H-N News Policy Told In Clipping

A clipping has been received by the Herald and News from Joe Hope, Cascade Gorge, Trail, Oregon, sent to him by his sister, Mrs. E. Lamb, Carlisle, Cumberland, England. The news story clipped from the British newspaper is a Reuter dispatch telling of the relegating of "unpleasant" news to the inside pages of the Herald and News during the week preceding Christmas.
