

HOME ON LEAVE after completing recruit training at Fort Ord, California are these two Klamath Falls soldiers. Pvt. David L. Alexander, left, son of Mr. and Mrs. A. D. Alexander, 4415 Peck Drive, has been assigned to the Signal Corps at Camp Gordon, Georgia. Pvt. Edward E. Moorman, son of Mr. and Mrs. Fred W. Moorman, 1027 Washington, will join the airborne troops at Ft. Bragg, North Carolina. Both men attended Klamath Union High School prior to their enlistment in December.

THE UNIVERSITY SINGERS, a mixed chorus of 48 voices from the University of Oregon, will appear in Klamath Falls on Thursday, March 22 at 8 p.m. in Mills School auditorium. This organization, founded in 1945, is directed by Max D. Risinger. The program will consist of sacred choral compositions, works of the great choral masters, folk songs and spirituals. The "Collegians", a male quartet, also will appear with the chorus. A variety of duets and solos will be included on the program. The musical event is being sponsored by the Klamath Union High School for its trip to Portland in April.

BUDDY BAER SUED former heavyweight boxer for violence. The suit, charging mental cruelty, was filed yesterday in Superior Court. Originally, Mrs. May Mann Baer, 38, had sued the 40-year-old actor for separate maintenance. Mrs. Baer is the former Miss Utah of 1938.

### John Day Dam Hearing Hinted

WASHINGTON (AP) — Rep. Coon (R-Ore) said Wednesday he has been promised a hearing by a House Public Works Subcommittee on his controversial bill for local-federal construction of John Day Dam. He told a newsman the assurance had been given him by Rep. Davis (D-Tenn), subcommittee chairman, but that no date has been set. The Coon bill, endorsed by President Eisenhower, would permit construction of the huge Columbia River dam jointly by the federal government and local utility groups. Local interests would be required to pay that portion of the dam's cost allocable to power—estimated at 90 per cent of the dam's 300-million-plus cost—with the government paying costs attributable to flood control, navigation and other non-power uses. In return for their money, the utilities would receive 50-year contracts for the dam's power output in proportion to their share in the program. The bill has been strongly opposed by Sens. Morse and Neuberger and Rep. Green, Oregon Democrats.

### AF Unveils New Scorpion Plane

COLORADO SPRINGS, Colo. (AP) — The Air Force today took the wraps off a new version of the Northrop Scorpion known as the F7SH. It is the first operational plane to be equipped with the new Falcon air-to-air guided missile. The new all-weather intercepter, which will be assigned to Continental Air Defense Command bases, also is equipped with air-to-air folding fin rockets. Missiles and rockets are carried and fired from the wing tip pods. Effective range for the missile is greater than that of rockets or air-borne cannon. The missiles need not be aimed precisely at the target, since they are capable of sensing the presence of a selected target and seeking it out, once released.
