

Townies, Sprague River Beaten In Tournament

Lapwai 5 Eliminates Chiloquin

Klamath County's two teams entered in the 1956 All-Indian tournament at Chiloquin both fell out of title contention in the opening round of play yesterday and last night.

The Sprague River team dropped a 82-67 decision to the Tulalip, Wash. crew while the Chiloquin Townies, so often the champion in past tournaments, ran into a tangle in the form of the Lapwai, Idaho team and were defeated 70-62.

Other first round winners were Susanville and the Cheyenne All-Stars. Susanville defeated Fort Duchesne, Utah, 81-77 in the closest game of the opening round while the Cheyenne team from Montana had little trouble with the Reno, Nevada club, winning 82-56.

In games this afternoon, Reno will meet Sprague River and Fort Duchesne will play the Chiloquin Townies in the consolation bracket. Tonight the championship round will continue into the semi-finals with the Cheyenne All-Stars playing Tulalip and the Susanville team facing Lapwai.

In the afternoon opener yesterday, the Cheyenne All-Stars packed too many scoring guns for the Reno outfit as they piled up a 23-8 first quarter edge and were never again seriously threatened even though the Reno quiet put up a stiff battle in the second half. The halftime score was 44-19 for the Cheyenne team.

Two Cheyennes who appeared briefly on the OTI campus this year, were the chief scoring powers for the All-Stars from Busby, Montana. Lyle Harris dunked 20 points and Irvin Redfox hit 17 for the winners.

The Sprague River entrants put up a terrific battle before succumbing to the Tulalip, Wash. team. Paced by the scoring of Bob David, the Klamath County crew held a 20-19 edge at the end of the first quarter only to have Tulalip catch fire in the second canto and move into a 40-33 lead. It was still close at the end of three quarters with Tulalip out in front by a 63-53 score but a 19 point burst by the Washington team in the fourth quarter left little doubt about the outcome.

Francis Sheldon was the big gun for the winners with a total of 32 points while Irwin Crume led the Sprague River team with a 23 point total for the afternoon.

In the opener last night Susanville and Ft. Duchesne staged a real thriller.

Seldom did more than four points separate the two teams as they raced through the crowd-pleasing contest. Susanville had a 19-17 edge at the end of one quarter but the Utah team came back with a 20 point spurge in the second canto which gave it a 37-36 edge at the intermission.

It was a terrific scoring exhibition by Earl Dunn in the third quarter that put the Susanville team ahead again. Dunn, a 5-10 center, didn't let his lack of height bother him as he counted seven field goals and five free throws in that third quarter as his team went out in front 60-57.

It was give and take in the final quarter as the Utah team tried desperately to overtake the high flying Californians but to no avail.

Dunn led all scorers with an evening total of 31 while Richard Fenn was high for Ft. Duchesne with 24 points.

The surprise of the tournament came in the final last night as the Chiloquin Townies were bounced from the championship bracket by the Lapwai team from Idaho.

For three quarters, these two teams battled on even terms with the Lapwai team holding a scant 50-49 edge going into the final frame.

It was Charley Taylor, a 6-0 forward who boosted the Idaho crew to victory as he came through with seven points in the final quarter. Lapwai outscored the Townies 20-13 and won by a final count of 70-62.

Gene Gentry did all he could to keep the favored Chiloquin team in the ball game as he hoisted in 13 field goals and 4 from the charity stripe for a 30 point total for the evening. Ken Brunchau hit 22 for Lapwai to lead the Idaho victors.

Milwaukee Brave catcher Del Grandall has been on the last three National League All-Star teams.

The longest scoring play for UCLA last season was the 75-yard play in which Ronnie Knox tossed to Hal Smith in the Iowa game.

Sal Maglie Out To Prove A Lot Of Things In 1956

By THE ASSOCIATED PRESS
Sal Maglie, the erstwhile barber of the New York Yankees pitching staff, apparently is out to make a clean start with the Cleveland Indians.

And Maglie has more than one incentive going for him.

He's out to:

1. Regain the healthy salary cut he took in signing his 1955 contract.

2. Prove that he's not washed up at 38.

3. Win his first American League ball game.

Maglie, who reportedly was slashed the maximum 25 per cent in salary, was sitting atop the baseball heap a scant five years ago. He won 23 games for the Giants in 1951, the year the Dodgers "lost" the pennant.

He still had enough on the ball to come up with 14 victories in 1954. But he had a 9-5 mark last summer before the Indians bought him from the Giants. With Cleveland he was 0-2.

Yesterday, however, the menacing-looking right-hander from Niagara Falls, N. Y., turned in a brilliant three-inning stint against the Chicago Cubs.

The Indians won the exhibition game 11-7 but it was Maglie's showing that made the victory that much more palatable. He walked the lead-off man Gale Wade and then set down the next nine Cubs in order, registering three strikeouts.

It became a slugfest after that and it took a six-run eighth inning, highlighted by Chico Carrasquel's three-run home run, to put the game in the Indians' teecup.

Meanwhile, Maglie's former teammates, the Giants, maintained their perfect exhibition record by edging the Baltimore Orioles 7-6 on George Wilson's single with the bags loaded in the 11th inning. The triumph was New York's fourth straight. The Giants got home runs from rookie Bill White and Dusty Rhodes.

Close games were the order of the day.

The St. Louis Cardinals downed the Detroit Tigers 3-2 behind the effective pitching of rookies Lindy McDaniel, Billy Muffett and Gary Blaylock.

Accusing Of Skater Reported

PHILADELPHIA, Pa. (UP)—The 1956 National Figure Skating senior men's singles championship got off to an awkward start today with teenage Ronnie Robertson facing charges by a "foreign" skating association of demanding "excessive expenses."

Robertson, an 18-year-old resident of Paramount, Calif., played the role of "bridesmaid" to Hayes Alan Jenkins in the Olympics at Cortina, Italy, and in the world's championships at Garmisch-Partenkirchen, Germany. Jenkins, Colorado Springs, Colo., was favored to retain his national title.

Robertson was given permission to compete in today's school figures event and Saturday night's free skating exhibition pending a hearing in May.

The bombshell exploded last night a few hours after Tenley Albright won the school figures crown in defense of her national title. Miss Albright, 20-year-old Olympic winner from Newton, Mass., edged 16-year-old Carol Heiss, Long Island, who last month turned the tables on Tenley and captured the world title in Germany. Miss Albright's lead was not so great, however, that Carol could not grab the national laurel during tonight's free skating event, at which the teenage skater excels.

147-Pounders Slate Battle

NEW YORK (UP)—Two fast-rising young welterweights with a punch, Cuba's Isaac (Kid) Logart and Mexico's Gaspar (Indian) Ortega, put their victory studded records on the line Friday night in the 10-round main event at Madison Square Garden.

The bout will be televised.

Charley Ane of the Detroit Lions in the National Football League is attending Wayne University to complete work on his degree started at the University of Southern California.

Ronnie Sanchez Slated To Battle Jimmy Grow

Ronnie Sanchez, who held the U.S. Air Force lightweight title while stationed at Lowery Air Force Base near Denver in 1954, has been named as the challenger for Jimmy Grow's claimed Pacific Northwest lightweight title in Klamath Falls on March 24, promoter Mack Lillard revealed today.

Since turning professional after his release from the Air Force a little over a year ago, Sanchez has won 10 out of his 14 pro starts, while stationed at Lowery Air Force Base near Denver in 1954, has been named as the challenger for Jimmy Grow's claimed Pacific Northwest lightweight title in Klamath Falls on March 24, promoter Mack Lillard revealed today.

Tickets for the championship bout, one of the few ever held in Klamath Falls, are now on sale at Dick Reeder's Store for Men. The first fight on the five-bout card will begin at 8:30 p.m. at the Klamath Falls Armory.

Both men are the tough, step up and slug it out type of fighters, and should give the localistic fans a good show for their money in the 10-round battle.

The champ, who calls Lewiston, Idaho, home, has collected 43 victories out of 52 professional bouts, 25 of them by the knockout route. At least two of his losses, Lillard said, were due to the inability to control bleeding from cuts over his eye.

Eddie Schnoor of Boise, former intermountain lightweight champion, will meet Stanley Davis of Reno in the six-round semi-windup bout. Both Schnoor and Davis are boxers, but they have completely different styles. Davis is a tall, rangy chap with a long reach, while Schnoor is a more compact, rugged type of boxer.

Details of the preliminaries, which will feature local fighters, have not been completed, Lillard said. Three other bouts are planned to round out the show, the first in Klamath Falls since last December 10.

In a six-round bout, Billy Plummer of Bly and Dick Jones of Klamath Falls will square off in a middleweight contest. Lightweights George Gray of Bonanza and Pummie Wright of Chiloquin will meet in a four-round bout.

The opening bout, another four-rounder, will feature the Battling Bly Logger, Curt Stanton, in a light heavy go. His opponent still has to be named. Lillard said, adding that he hopes to make an announcement before Monday.

The two Idahoans, Grow and a Schnoor, are fighting under the same management—that of Jack "Moe" Smith, a former boxer who made quite a showing before retiring into the management profession.

Moore To Fight

HOLLYWOOD (UP)—Legion Stadium officials predicted today about a \$12,000 gate tomorrow night when the lightweight champion, Archie Moore, meets Frankie Daniels in a 10-round non-title bout.

Baker Hoop Coach Resigns Position

BAKER (UP)—Chuck Stevenson has resigned as basketball coach at Baker High School to accept a post as athletic director. He is the 12th Baker coach since 1946 to leave the post.
