

Skowron May Develop Into Second Gehrig For Yankees

By OSCAR FRALEY
United Press Sports Writer

NEW YORK (UP)—Life looks good this spring to the man who, at long last, may prove to be the "new Lou Gehrig."

That would be Bill (The Moose) Skowron, a hulking young fellow with tremendous power and bonafide promise. He has everything to fill the first base gap the Yankees have known since the "Iron Horse" rusted away.

And, after two bitter disappointments, Skowron is giving it the big try which finally may pay off.

The first of his black moments came after he had been in the Yankee chain three years. A footling scouter he was the Minor League Player of the Year as he hit .341 at Kansas City, leading the American Assn. with 31 homers and 134 runs batted in.

His rise was swift. In 1951, the Moose led the Piedmont League with a .334 average and the following season he was the Minor League Player of the Year as he hit .341 at Kansas City, leading the American Assn. with 31 homers and 134 runs batted in.

For the Moose was banging the ball like one of those ancient denizens of Murderers Row. He even looked the part, being a 260-pound six footer of the old mold.

Through the spring and into the start of the regular season, Skowron was tremendous. Then, on April 27, when he was leading the American League in hitting and in runs batted in, it happened.

PULLS MUSCLE

Running out a triple, he pulled a thigh muscle and was out five weeks.

It worried him. For the first time in a busy athletic career he had been injured. And when he came back he was over anxious. He pressed, lost the strike zone and began to swing at bad pitches. Slowly his average collapsed and he wound up the season batting .319 in 108 games.

CLEVELAND (UP)—Babe Parilli, former Kentucky T-formation star and regarded as the successor to Otto Graham, signed Tuesday with the Cleveland Browns for an estimated \$12,500. Discharged from the air force last week, Parilli was acquired from the Green Bay Packers two years ago in exchange for Stanford's Bob Garrett.

PHILADELPHIA (UP)—Hal Reinfield, Temple co-captain who is recovering from a back injury, is expected to see action Thursday night when the Owls play Iowa in the semi-final round of the NCAA Basketball Tournament at Evanston, Ill.

Syracuse Team Holds ABC Lead

ROCHESTER, N.Y. (AP)—A Syracuse, N.Y., team held the lead in the team division of the American Bowling Congress tournament Wednesday.

The Meade Floor Covering team rolled a 2,997 to better by 2 pins the score posted last week by Stroh's Beer of Detroit.

Frank Fabrizio sparked his team's performance with a 699, the second highest series of the tourney so far in any event.

Fabrizio, a 182-average knegler, rolled games of 205, 228 and 266. He rolled nine strikes before leaving a 7-9 split on his tenth ball.

Angels Said PCL Contender

LOS ANGELES (UP)—If Los Angeles can get the rest of its team to play up to the abilities of its hitters, the Angels think they will be tough this year.

Bob Scheffing is starting his first full season as manager and the former Cub coach thinks he will have a contending ball club that could prove better than the first division.

In Steve Bilko, Buzz Clarkson, George Reese, Bob Coats and Gene Mauch he has a "murderers' row" that should make opposing pitchers tremble.

"But we need some help on the mound ourselves," Scheffing said as he drilled his squad at Wrigley Field. "You can't lose three pitchers like George Brosnan, Don Eiston and Turk Lown without it hurting. We hope the Cubs can provide that help."

WELL EQUIPPED

But aside from pitching help and another catcher, Los Angeles appears well equipped for the coming season. Some of that help already has been assigned to Los Angeles in Dick Davis and Bob Anderson, both up from the Cub farm organization. Holdover pitchers who might improve last year's performances are Ray Bauer, Hy Cohen and Dave Hillman, while Harry Perkowski is down from the Cubs.

But Scheffing has only Sam Maury and John Swetch as catchers, both up from lower classification farms and he can use an experienced backstop.

It is in the infield that Los Angeles shows most of its strength. There it has Bilko at first after having led the league in homers with 27 last year. Clarkson was going great guns in 1955 until he broke his leg, but he hopes to be up to his best again. Reese was drafted by the Angels, who think he could prove their best all-around player capable of working both the infield and outfield, as he did at Hollywood.

Akins Meets Hec Constance

ST. LOUIS (AP)—Sixth-ranked Virgil (Honeybear) Akins can land a bout with welterweight champion Johnny Saxton if he overcomes a habit of missing his big chances and defeats Hector Constance in a 10-round fight Wednesday night.

Saxton is looking around for opponents before he gives Carmen Basilio a return crack at the title.

Akins has all the equipment to make a champion. He is a good boxer and good hitter, but often has lacked fire.

The St. Louis fighter also has a hometown jinx to overcome. Almost all of his best showings have been away from here.

Constance, of the British island of Trinidad, is fast and holds victories over Kid Gavilan and Ralph (Tiger) Jones.

The event will be televised nationally.

DAYTONA BEACH, Fla. (UP)—The Houston Buffs of the Texas League rallied for four runs in the fifth inning yesterday to defeat the San Francisco Seals, 4 to 3, in a chilly, wind-swept exhibition game.

General Manager Joe Cronin of the Boston Red Sox was on hand to see his club's newest farm team in action, but the Seals were limited to four hits—all of them singles.

PASADENA, Calif. (UP)—Eight Hollywood errors paved the way yesterday for Sacramento to score a 13-4 exhibition game victory over the Stars.

The Stars committed five errors in the third inning as the Solons scored six times to wrap up the game. Elmer Rosburg homered for the Solons.

Rookie outfielder Joe Christopher was the batting star for Hollywood, getting three hits—including two triples.

PASADENA, Calif. (UP)—The Los Angeles Angels send Pete Spasoff, Phil Tarpey and Gene Dupree to the mound today against the Seattle Rainiers at Brookside Park.

The Angels slammed out 21 hits, including seven homers, yesterday at Wrigley Field in Los Angeles to bury the Pepperdine College Waves, 21-3. First baseman Steve Bilko, center fielder Sam Brown and second baseman Denny Laiden each hit two homers. Buzz Clarkson got one. One of Bilko's blows came with the bases loaded.

PALM SPRINGS, Calif. (UP)—Outfielder Harry Elliott's three-run double highlighted a six-run rally in the fifth inning which gave the San Diego Padres an 8-5 exhibition game win yesterday over Vancouver.

Vancouver took an early three-run lead when Dino Restelli homered in the first inning with two mates on the bases. It was the Padres' second win over Vancouver.

Santee Case At Standstill; Justice Refuses Injunction

NEW YORK (AP)—It's a brand new ball game, as they say. First, Wes Santee had his innings, then the Amateur Athletic Union came on fast and today the contest between the two is deadlocked.

Right now, Santee, America's premier miler, is out of the Chicago Daily News Relays this Saturday. Justice Walter A. Lynch of the New York State Supreme Court saw to that yesterday when he refused to continue a temporary injunction which barred the AAU from enforcing its lifetime ban on Santee.

The jurist, however, can—and

probably will—make a ruling in the case before Saturday. If he decides in Santee's favor and grants a permanent injunction, then the skinny Marine Corps lieutenant is free to run anywhere, any time.

If he rules in favor of the AAU, the ban—imposed by the Executive Committee Feb. 19 Santee was found guilty of accepting excessive expenses for some meals last year—goes back into effect for good.

Then Santee's only redress would be an appeal to the AAU Board of Governors, the supreme power in the organization.

Fresno State Runner Sees New Records

FRESNO, Calif. (AP)—Mike Agostini of Trinidad, latest claimant of the world's fastest human label after his record-setting 20.1 seconds for 220 yards, predicts he may run a 9-flat 100 before the Olympic Games in November.

The 21-year-old Fresno State College sophomore confidently says: "I can run faster."

In two weeks he has topped Mel Patton's 20.2 world clocking in the 220 and has two 9.4 centuries. The 190 record is 9.3, owned by Patton, Hector Hogan and Jim Golliday.

Agostini, who transferred to Fresno State in 1955 after one semester at Villanova, flashed his 20.1 furlong in a triangular meet at Bakerfield, Calif., Saturday. He said he got a perfect start and felt good all the way.

Veteran observers said the 5-foot 7 1/2-inch sprinter ran at full speed all the way. Most sprinters require a floating stage, 20 or 30 yards, before a final burst at the finish. Mike said he had little trouble staying ahead of Alex Burl, former Colorado A&M runner, and Jim Lea, ex-Southern California, who pressed him.

"The two 9.4s I have run the past two weeks have been so easy I know I have more left," he said. "After some complicated figuring, I have concluded that with the same start and under the same conditions as the record 220, I could run the 100 in 9.1."

"After all," he says, referring to a possible 9-flat, "tenth of a second is not much."

Mike, who probably will be a one-man Trinidad team in the Olympics, has done little speed work this year. "I'm bound to improve with work," he says.
