Wally thinks it's pure magic the way I keep our house spotless and still have so much time for the things I like to do. Of course, it's finding faster, easier ways to do my housework that really does the trick. Just take wood floors. How I hated that messy cleaning and waxing. And my arms and back would ache for days afterwards. Then I heard about Bruce Cleaning Wax. What a joy! There's no floor waxing at all because Bruce cleans as it waxes. Takes only half the time. To top it off, my wood floors never looked better. Just try a can of Bruce Cleaning Wax. Everybody who uses it thinks it's wonderful.
