

Ernest Borgnine, Anna Magnani Receive Oscars

By ALINE MOSBY
HOLLYWOOD (UP)—Homely newcomer Ernest Borgnine and his picture, a low-budget little film named "Marty," swept over veteran actors and expensive pictures Wednesday night to win Hollywood's coveted Oscars.

Another offbeat newcomer to Hollywood films, Italy's fiery Anna Magnani, was honored as the best actress of 1955 for her explosive role in "The Rose Tattoo," her first U.S. movie.

The supporting player awards made it an all-around year. Jo Van Fleet started the award for "East of Eden" and Jack Lemmon was honored for "Mister Roberts."

But it was the toothy Borgnine and the unpretentious "Marty" that captured the sentiment of

more than 3,600 celebrities in black tie and glittering evening gowns who jammed the Hollywood Pantages Theater on Hollywood Blvd. for the 28th annual award ceremony.

TAKEN FROM TV
"Marty" was made in New York on a television drama at a cost of only \$200,000. But it swept over such multi-million dollar productions as "Picnic" and "Mister Roberts" in the election among the 1,700 members of the honorary academy of motion picture arts and sciences.

Borgnine a year ago was only a player of small villain roles in films and a virtual unknown. But Wednesday night the 38-year old actor heard his name called by Grace Kelly, last year's best actress winner, as the top actor of 1955 for his first starring role — or a gentle, lonely butcher in "Marty."

None of the winners had been nominated before for an academy award. Miss Van Fleet, a recent addition to Hollywood from the New York stage and TV, won the supporting actress Oscar for her first film. Lemmon is another comparative newcomer who was lured from New York television.

"Marty" also walked off with Oscars for best direction, to Delbert Mann, and for best screen play to Paddy Chayefsky. Both collected their trophies at the New York section of the telecast.

OTHER PRIZE WINNERS

Safe Teens Club Organized

A Klamath Union High School chapter of the Oregon Safe Teens Club was organized Monday following a general assembly. The featured speaker of the assembly was Judge Frances Cook, Beaverton.

Safe Teens are young drivers, primarily high school groups, who demonstrate by their own action that most teen-age drivers are good drivers, careful drivers and safe drivers.

The first Safe Teen organization was founded at Beaverton in December, 1954. In less than a year the movement spread to 43 states, Canada and seven foreign countries. More than 5,000 members were enrolled in Oregon alone in the first six months after Safe Teens was formed.

The charter sign up of the KUHSS club will be held open for two weeks so that all students signing up during that time will be charter members. Henley and Merrill students heard Judge Cook on Monday and have planned Safe Teens clubs in their high schools.

Autobile inspection slips may be obtained at the following garages: Dick B. Miller Co., Dugan and West, Parker Pontiac, Jim Olson Motors, Cunningham and Rickey, Basin Motors, Jim Winder, Buick, Baisger Motors and Juckland Motors.

Francis Mathews, county juvenile officer, will accept the completed inspection slips at his office on the second floor of the Klamath County Courthouse and will make out membership cards for the clubs. His office will be open for the next two weeks during the noon hour and until 5:30 p.m., but not on Saturday.

Anyone can join between the ages of 16 to 25 who has an operator's license and a certified safety check of the car he or she drives. It need not be a car that he or she owns, but can be the family car. These safety checks include brakes, steering, tires, lights, swipes, horn, rear-view mirror, safe muffling equipment, etc. Their cars will be identified by red bumper strips furnished through the courtesy of the Klamath County Insurance Agents Association.

PROSTITUTION
TAIPEI, Formosa (UP)—The Formosa provincial government has decided to abolish prostitution on the Nationalist Chinese island in two years, and to keep it under strict control until then.

Warmer Air Covers East

By THE ASSOCIATED PRESS

There was a little warming in the eastern sections of the country today but mild spring weather appeared to have been side-tracked temporarily.

Higher temperatures were reported in the Southeastern states but cold weather—for the area—continued. Readings were in the 30s and 40s with the frosty air dipping southward into northern Florida. Jacksonville was chilly with a 37 degree reading. It was 30 degrees warmer at Miami.

With snow over much of New England and the Middle Atlantic states from last weekend's storms, wintry temperatures were general. Readings were in the teens and 20s during the early morning.

There was a minor warming trend in parts of the Midwest with temperatures in the 30s and 40s. Colder weather prevailed in the plains states southward into Texas.

A north-south belt of precipita-

tion moved slowly eastward from the central part of the country and extended from Michigan through northern Illinois into Arkansas and Louisiana.
