MEN'S FASHION

The year 1936 will be the "walk short year." It is predicted by J. H. Wyss, vice president in charge of sales for Cooper's, Incorporated, knit underwear manufacturer. There is an historical precedent for walk shorts for men, he says. Exposed knees were commonplace in ancient Greece. In 1800 short breeches were in vogue in France and England and then, says Wyss, male knees went into hiding and are just beginning to emerge again. Wyss predicts that ten million men will turn to walk shorts this year, not only for weekends, but for business wear, as well.

GINGERBREAD DESSERT

Try whipped cream flavored with molasses, cinnamon and a touch of clove for topping for the hot gingerbread dessert for dinner.
