Your Easter Ham: how to bake it, how to glaze it, how to garnish it!

Total baking time for your ham will depend on the kind of ham you buy: fully-cooked, uncooked, or tenderized. Most hams carry baking instructions on the wrapper.

To glaze your ham: 30 minutes before your ham is done, score and stud with cloves as shown. Drizzle ham with honey and over this sift brown sugar. Repeat every ten minutes until ham is a glossy brown.

Calla Lily Garnish: Cut thin slices from peeled turnips. Form slices into cornucopia around thin sticks of carrot. Fasten with toothpicks and drop in ice water. May be made the day before.
