

### Mount Shasta Rotary Club Tells Grant Requirements

MOUNT SHASTA — The Rotary Club has set up the following requirements for their scholarship grant to be given annually to a graduating senior, announcement of recipient to be made at graduating exercises.

1. Scholarship. A graduating senior must make application to the state college or university of his choice and present notice of his acceptance by May 13.
2. Citizenship. A letter from the high school principal giving the opinion of the entire faculty, along

- with three letters of recommendation will be required.
3. Activities. Present a list of extra curricular activities during high school attendance and other important community activities.
4. Need. A letter of explanation why financial assistance is needed.

### Searchers Fail To Find Body

SAN RAFAEL, Calif. (UP)—An Air Force helicopter crew "chased buzzards" with no results Wednesday in a macabre search for the body of a San Francisco girl who leaped to her death from a small plane Monday.

A ground search over the brushy slopes of Mt. Tamalpais was also fruitless. The victim, pretty Flora Elizabeth Anderson, 22, plunged 2500 feet to her death from a light plane rented by Stanley Gordon, 28, of Belvedere.

All requirements must be presented at the same time to a member of the high school faculty who is on the committee at the time, and a committee of three, composed of one member of the high school faculty and two members of the Rotary Club elected by the club members, will review applications and make the scholarship award.

An alternate will be named in event the scholarship recipient fails to enroll in college.

Amount of the scholarship will vary according to funds available, but will be approximately \$200 to \$300, one-half to be awarded upon proof of enrollment for the first semester and the other half at either the second or third semesters. Additional scholarships will be added if funds become available.

### VEEP PASSES

BALTIMORE (AP)—Emmett P. Kavanaugh, 62, vice president and secretary of the A. S. Abell Co., publishers of the Sunpapers, died yesterday.
