Ethan Allen by *Baumritter*

Open stock Ethan Allen furniture is designed to give you maximum use of limited wall space. With this exciting collection you'll achieve the decorative effect you want, get the storage room you need—actually make your rooms seem larger! Ethan Allen, is designed for today's smaller homes, yields maximum drawer and storage space in amazingly little area—

even turns a lost corner into a usable asset! Here's the inviting warmth of fine Early American design—correlated for bedroom, living room and dining room. Top quality, of course, built of rock maple and birch cabinet woods, hand-finished to a warm brown nutmeg tone. Most modestly priced, too—make your starter purchase now—fill in later as your needs grow!
