

PHOTOGRAPHER RICHARD NORLAND caught this year's Rally squad in action in the Pelican's football opener with Grant High on Modoc Field. Pictured leading the exuberant crowd in cheers are, left to right, Wayne Pounds, Pat Kries, Nelda Snook, Dianne Taucher, Roberta Pruitt, Nancy Drew and Don Finney. The squad drew good audience response as Coach McGinnis' Pels stopped the Generals 13-6.

### KUHS Homemakers Hold Year's First Get-Together

BY BARBARA EDWARDS  
Associate News Editor  
Klamath Union High School's Future Homemakers of America held their first meeting September 11, at 10:35 a.m. in the cafeteria at KUHS.

During the meeting each officer of FHA told the new members something about this club's functions and activities. One point covered was the purposes of the organization which are: to promote a growing appreciation of the joy and satisfactions of homemaking; to emphasize the importance of worthy home membership; to encourage democracy in home and community life; to work for good home and family life for all; to promote international good will; to foster the development of creative leadership in home and community life; to provide wholesome individual and group recreation; and to further interest in home economics.

### Frosh Receive Lusty Greeting

By CORINNE ACKERMAN  
Associate Editor

Principal Charles T. Carlson officially welcomed the class of 1960 in a 1:30 p.m. assemblage in Pelican Court, August 31. The KUHS administrator endeavored to speak memorable words to the freshmen whose excellent conduct throughout the convocation has stamped them as a first-year group that will, doubtless, be outstanding. Mr. Carlson introduced Richard Seideman, student body president, who extended his greetings and then introduced first vice president Joe Linman, who stressed the necessity of maintaining KU's time-honored traditions.

Judy Hadley, secretary-treasurer, Tom Ankeny, second vice president, and Jim Compton, third vice president, were introduced to the new class.

ORMSBEE SPEAKS  
The value of the student body script books was then explained by Orrin Ormsbee, student body business manager. President Siedeman next introduced Dianne Taucher, yell queen, who presented this year's rally squad composed of Roberta Pruitt, Nancy Drew, Pat Kries and Nelda Snook. The squad minus their two male members, Don Finney and Wayne Pounds, solicited the freshmen's aid in producing two lusty yells.

Mary Shearer, Girls Athletic Association vice president, explained the purposes of GAA, and further informed frosh co-eds the procedure in signing up for the organization. Girls League President Jeanne Morgan presented the Big and Little Sister organization's purpose.

DEANS INTRODUCED  
Principal Carlson returned to introduce: Dwight French, dean of boys; Marie Johnson, dean of girls; Howard Bailey, and Mrs. Fern Peak, freshmen counselors. School Nurse Margaret Strode explained different types of insurance available to students. Head Football Coach John McGinnis urged the rook boys to turn out for football, and concluded by introducing Don Megale, freshman football coach. Len Surlis, KUHS track mentor told the new boys about the track schedule. The assembly was adjourned after Mr. Carlson had introduced the freshman home room teachers.

FOUR MORE SENIORS join this Nugget issue of Senior's Parade. Left to right are Patricia Sue Burt, Jerry Braniff, Peter Barnhisel and Betsy Braman. This quartet will officially end their stay at Klamath Union High next June, when diplomas are presented by Principal Charles Carlson at graduation. —Photos by Ferebee and Floyd's

## Parents, Patrons Gather For Year's First Meeting

By BEV ROBBINS

Klamath Union High's Parents and Patrons held their first meeting of the 1955-56 school year in Pelican Court at 7:30 p.m. Friday, September 7, with President Van Mollison presiding.

The Parents and Patrons president, who succeeded Mr. Ford Kingston to the organization's highest post, welcomed the turnout of parents, faculty, and friends of the school. He especially greeted this year's record enrollment of freshmen which totals better than 460 members.

"This organization's objectives are: to promote the welfare of youth in the home, school, church and community; to raise the standards of home life; and to secure adequate laws for the care and protection of youth," stated Mr. Mollison, after his welcome note.

FURTHER GOALS  
"Further goals," he added, "are to include closer relations with the home and the school so that parents and teachers may cooperate intelligently in the guidance of our youth; and to develop between educators and the general public a united effort to secure for our youth the highest advantages in physical, mental, moral, and spiritual education."

On this year's busy Parents and Patrons' agenda are: November, Open House during National Education Week; and for October's KUHS' football game with Boise (Idaho) on Modoc Field, a Parents and Patrons' night.

Next year's activities scheduled by the group are: February, Dads' Night which will include wrestling and boxing exhibitions; a Style and Variety Show whose date has not been announced; May, Senior Banquet, which will be followed later by the election of officers for the ensuing year.

OFFICERS INTRODUCED  
Mr. Mollison, in explaining the group's scheduled events, introduced those members responsible for the activities' success: Mrs. Helen Cox, first vice president, Senior Banquet; and Mrs. Estin Biger, second rummage sale which was held last Friday and Saturday.

Other committee members are: Mrs. Eve Alley, secretary; Ruby Alloway, treasurer; Mrs. Kathleen

Thompson, publicity; Mrs. Barbara Bogalay, membership; Dr. and Mrs. Harry Fredricks, refreshments; and Mr. and Mrs. Frank Drew, hospitality.

Principal Charles T. Carlson was introduced by Mr. Mollison, and the KUHS administrator thanked the audience for their excellent turnout. Mr. Carlson, who has served as principal since 1952, introduced the high school's departmental heads: Mr. Wendell Smith, vice principal and head of the English department; Mrs. Alice Howard, mathematics; Mr. Andrew Loney Jr., music; Mr. Howard Teale, vocational department; Mr. Peter O'Toole, history and social studies; Mrs. Clara Fink, home economics; Mrs. Gladys Herron, science; Mrs. Helen Hoffman, foreign languages; Mr. Paul Angstead, counselling and guidance and vice principal; Mr. Dwight French, dean of boys; Miss Marie Johnson, dean of girls; and Mrs. Margaret Strode, nurse.

EXPLAINS PROBLEMS  
Principal Carlson briefly stated the purpose of attending high school, and further explained the many problems facing all schools with the rapid enrollment increases. He differentiated between the academic and vocational sides of the educational picture.

Vice principal Paul Angstead addressed the group next, and outlined the counselling and guidance department's duties at KUHS. He explained the tests administered to all classes, and closed with an invitation to all parents "to feel free to drop into his office any time for consultation about their youngsters' progress."

After introducing Mr. Arnold Gralapp, superintendent of Klamath Falls schools, Mr. Mollison urged all parents to join Parents and Patrons whose membership funds are used to provide a scholarship for a deserving June graduate.

Dr. VINCENT BENNETT, gospel song writer and author, will be principal speaker for a 7 to 8 p.m. youth rally, September 16-23 at the Bible Baptist Church, 2244 Ward Street. "Youth on the Bible" was selected the theme of the week's program. The event is sponsored by the Bible Baptist Young People. Dr. Bennett will be speaking each day, Wednesday and Sundays excepted. A banquet is scheduled for Saturday night which will mark the end of the rally. All young people of any denomination are invited to attend each evening.

INSIGNIA DISCUSSED  
They also discussed the emblem, colors, and flower of FHA. The emblem is octagonal in shape and bears the name of the organization at the top of the plane, while around the lower side of it is the motto, Toward New Horizons. In the center there is a house supported by two hands which symbolizes that the future homes of America are in the hands of its youth.

The distinguishing colors of the Future Homemakers of America are red and white. The colors are symbolic of youth and home life, the success of which is of utmost importance.

The rose has been a favorite flower from remotest antiquity. It is found in almost every country on the northern hemisphere and is capable of cultivation in every state and territory of America.

Dues for FHA are 75 cents a year and all members can attend

### Dies Laetus Natali

By DONNA PFEFFERLE  
Feature Editor

September is a birthday month for many students at Klamath Union High School. The title of this column "Dies Laetus Natali" is the Latin expression for "happy day of birth." This first month we were not able to publish the names of pupils celebrating their birth dates, but we wish them a "Happy Birthday." Instead we will give some of the history of the origination and symbols of the month of September.

September, the ninth month of the year, which also introduces the school year, is the month beginning Autumn when leaves turn from green to golden reds. The name "September" comes from the Latin word "septem" meaning seven. In the old Roman calendar, September was the seventh month of the year and was changed during Julius Caesar's rule, when the calendar year began on January first. September included 30 days and has since the first calendars were circulated. The flower for this Autumnal month is the morning glory and the birth stone is the sapphire, which is a deep blue stone of extraordinary beauty.

## Open Sunday FOR YOUR CONVENIENCE

The firms listed in this directory recognize that even along with observance of the Sabbath there is a community need for the commercial services they offer.

## Dear Folks....

Driving to work between 8 and 8:30 in the morning is getting to be one of the worst jobs of my day. It's not that the car is about to fall apart, but the school kids waiting for busses are a terrific hazzard. I've noticed other drivers, too, shaking in their safety belts as they creep around the kids.

No telling when they will dart into the road, if they're not already in it. When they line up, the line forms at the very edge of the blacktop and sometimes extends halfway into the driving lane. It scares me to drive any place near them. Someone is going to get hurt unless the kids are warned to keep out of the roadway and mind their manners while waiting for the school bus.

School clothes must be just so-so. And they should, because appearance at school is just as important as appearance in the business world. That's why mothers find a sewing machine from SINGER SEWING CENTER such a good investment. It's so easy to mend or make clothes. You can buy a used machine for as low as \$4.95 down and a new machine for only \$11.95.

According to manager Herb Breed, the new SINGER vacuum cleaner is the most powerful machine made. To demonstrate his point, Herb placed the cleaner on the wall and the vacuum created by the powerful motor held it there. A SINGER is your best vacuum cleaner value -- only \$7.95 down and easy terms.

We have a new member of the family...a kitten, which Lydia has christened "Miss Calico." But from Donnie and Cindy the name seems to come out "Miz Cat-t-o" which seems to make the kitten just as happy.

There hasn't been any snow on the ground, YET! But winter with all its snow and hazzards in driving will be here in no time at all. I'm beating the rush by having my tires recapped right now at MONARCH TIRE SERVICE, 315 South 6th.

Asia Miner and his skilled tire specialists have their recapping machinery set up right now to handle your snow treads. They are a good buy because snow treads give you more traction and do away with the fuss and muss of tire chains.

Along about the time of the first snow, there is such a long line at the door at MONARCH TIRE SERVICE that a lot of drivers don't get their sawdust tires until after the icy driving season has set in. It's easy to avoid the rush by acting now. Just stop in at Monarch Tire Service, Inc., your General tire dealer, 315 South 6th.
