35 Injured At Regatta

WASHINGTON (AP) — A special reviewing stand collapsed at the President's Cup Regatta yesterday, injuring at least 35 persons, none of them critically.

Officials said the stand apparently gave way when the approximately 600 persons on it leaped to their feet at the start of the

final heat of the power boat races. The wooden platform was about 50 feet long and 3 feet high. Most seriously injured was Patricia M. Becker, 26, a secretary, who suffered a compound fracture of the right leg.
