KLAMATH FALLS NOW HAS THE LATEST THING in post office developments to accommodate motorists with mail to deposit. Whereas the former box located at the curb in front of the post office had a handle for opening the chute, drivers no longer will have to bother with opening the box with one hand and depositing their mail with the other. The new box, being tried out by A. D. Lambert of Klamath Falls, has an attached weatherproof snorkle opening through which the mail can be deposited.

Snow Falls In East Area

By THE ASSOCIATED PRESS

It was topcoat weather over wide areas of the eastern half of the nation today as temperatures dropped below freezing in northern sections.

Snow flurries were reported in sections of Wisconsin and Michigan as the coolest weather of the late summer season spread over the north central region.

Cold air from Canada moved southward during the night and by early morning extended from the lower Great Lakes region southwestward through the northern Ohio Valley and into the northern part of the lower Mississippi Valley and Texas.

Temperatures dropped into the 20s in some places in the upper Great Lakes region. The season's first snow flurries were reported at Wausau, Wis., and Traverse City, Mich.

It was mostly clear in the frosty areas. Showers fell from southern New York southward into the Virginias.

Atom Shipwreck Danger Warned

SAN FRANCISCO (UP)—Dr. Richard Fayram, an expert on atom-powered ships, says nuclear engines may propel most of the world's ships by 1970 and warned against a new danger — atomic shipwreck.

The 35-year-old scientist said hundreds of passengers would have suffered from radiation effects had either the Andrea Doria or the Stockholm been equipped with a nuclear engine.

Last week's sinking of the American freighter Pelagia near the Arctic Circle would have ruined Norway's sardine crop if the ship had had an atom engine, he said.

SAFE FOR HORSE THIEVES

PATERSON, N.J. (UP)—Horse thieves can come out of hiding now, Passaic County Prosecutor Charles Joelson has announced that some 200 indictments will be moved for dismissal. Handed down between 1871 and 1900, they ranged from horse and chicken thefts to failure to paint a pre-paid portrait.

JAILED, THEN REWARDED

LONDON (UP)—James O'Brien, who was jailed for refusing to pay a \$4.25 bill at an Indian restaurant, has been awarded \$14 for un-

lawful imprisonment, court officials said today. O'Brien said he walked out of the restaurant without paying because his curry contained no onions.

COMEDIAN BETTER

HOLLYWOOD (UP)—Comic Oliver Hardy, 64, showed more improvement today at St. Joseph's Hospital. Hardy suffered a stroke last Friday.
