Flood Rains Sweep Luzon

MANILA (AP)—Flood rains swept Luzon Island Friday as erratic Typhoon Gilda, packing winds up to 130 miles an hour, slammed into the northern Philippines.

The typhoon struck Luzon for the second time as reports from Sorsogon Province in southwest Luzon said 7 died, 20 were injured and thousands were left homeless. Heavy property damage was reported throughout Sorsogon.

Gilda hit Sorsogon last Wednesday, veered out to the Pacific, changed course again and struck north Luzon and Batanes Island.

LEADER RESIGNS
OTTAWA, (AP)—George Drew resigned Friday as leader of Canada's Progressive Conservative Party. Dr. Fay F. Parquharson said Drew, 62, was suffering from "severe physical and nervous exhaustion." Drew had led his Progressive Conservative (Tory) Party, the chief political opposition to the government, in two disastrous defeats in national elections in 1949 and 1953.

Lee's Claim May Be Out

WASHINGTON (UP)—The Justice Department has asked the Supreme Court not to hear Gov. J. Bracken Lee's tax suit against the government on grounds he has no legal complaint.

Lee, governor of Utah who was recently defeated for nomination to a third term, is protesting against the use of his income tax money for foreign aid programs. He also alleges that use of federal income tax money for foreign aid will cause Utah to lose revenue because Utah's income tax allows a deduction for federal income taxes.

In a memorandum filed by Solicitor General J. Lee Rankin, the Justice Department said the Supreme Court has ruled in the past that similar allegations "plainly had no substance."

The memorandum said the Lee argument "also seems to be predicated on the incorrect assumption that the state has no alternative but to allow its residents a deduction for federal income taxes." The department noted that at least 16 states do not permit such deductions.

Stork Beats Local Ambulance

A reportedly jet propelled stork early this morning cut in the auxiliary jet units and arrived at the scene well before Klamath Falls Ambulance Operator Jim Kaler.

At 5:30 a.m. Kaler received a hurry-up call from Louis Licon, a resident of Paunina about two miles north of Chemult. . . his wife was expecting a child. Kaler arrived on the scene about 6:30 a.m. and was pleased to learn that Mr. and Mrs. Licon and the latest Licon arrival were doing fine.

The child, a 6 lb. boy, landed with the 6 a.m. stork flight. "That's the way the ball bounces," laughed Kaler, "interest is maintained in the race if the stork beats me every now and then. . . I've beat him to the scene 14 times in the past eight years."
