

SEPIA SONGSTRESS Dolly Cooper has a top spot with Little Richard and his rock and roll aggregation which will shake things up at the Klamath Falls Armory Wednesday night. Little Richard is among the nation's top exponents of that new brand of crazy rhythm which is sweeping the country. Little Richard, who used to sell kaka oil before he rose to the heights of musical something or other, is coming here under the banner of Impresario Baldy Evans.

Private Life Advice Given

KANSAS CITY (AP) — Former President Harry S. Truman says an ex-President must act "as if he had never been President."

Speaking at a dinner honoring past presidents of Kehilath Israel Synagogue Sunday night, Truman had this advice for the former Presidents:

"A man finds it difficult to return to his former position (in private life). It is difficult to get people to understand that you want to live as anyone else."

"The past President should be helpful to those who succeed him, but he must be diplomatic. He must be exceedingly careful to remember the feelings of both the man going out and the man coming into office."

"The past President must make his approach in such a manner as if he had never been President."

"Try to live as an ordinary citizen and make every contribution as if you hadn't been President."

"It is interesting to watch the reaction of people once you have stepped down. If a person isn't careful, he will begin to think he's as good as friendly people think he is."

Truman said no one has been treated more kindly than he since he left office.

FALSE TEETH That Loosen Need Not Embarrass

Many wearers of false teeth have suffered real embarrassment because their plate dropped, slipped or wobbled at just the wrong time. Do not live in fear of this happening to you. Just sprinkle a little **FASTETH**, the alkaline (non-acid) powder, on your plate. Hold false teeth more firmly, so they feel more comfortable. Does not sour. Checks "plate odor" (denture breath). Get **FASTETH** at any drug counter.
