Stevenson Lashes Back At Ike's Farm Charges

JACKSONVILLE, Fla. (AP)—Adlai E. Stevenson today called on President Eisenhower to say whether he has "heard about loose administration of the soil bank to pour money into the Farm Belt" in advance of the November election.

Slapping back at Eisenhower on farm policy views which the chief executive expressed in a nationwide television address last night, the Democratic presidential nominee said that is the soil bank program "is debated for partisan political purposes during this election year," the blame must fall on the Republican administration.

In his speech at Peoria, Ill., E. Stevenson defended his farm policies and accused the Democrats of "mockery and deceit" in setting forth their program.

In an address prepared for delivery here today, Stevenson dealt

Somoza Said Gaining Health

BALBOA, Canal Zone (UPI)—American medical authorities reported Tuesday slight but continued improvement in the condition of Nicaraguan President Anastasio Somoza.

Somoza was seriously wounded Friday in an attempted assassination.

Somoza's daughter, Mrs. Lillian Somoza de Sevilla Sacasa flew in from Washington Tuesday to join her mother.

Eisenhower Says Demos Against Farm Interests

WASHINGTON (AP)—President Eisenhower accused the Democrats last night of "politicizing the farmers' expense" in his harshest attack on the opposition so far in the campaign.

He told the nation's farmers, on the other hand, that the program of his administration will give them "a full share in our country's good times."

Without making any specific new proposals to increase farm income, he said "good progress" is being made toward that goal.

Accompanied by Mrs. Eisenhower, the President flew back here early today after he delivered at Peoria, Ill., his second major campaign speech to be carried nationally by radio and television.

He followed closely the Republican platform and public pronouncements of Secretary of Agriculture Benson in outlining steps he said now have brought farmers "brighter peacetime prospects

than they have had for years" and which he said hold out the hope of "full income parity."

He said the Democratic program holds out to farmers only "mockery and deceit." And he used such phrases as "political expediency," "opposition politicking," and "political quackery."

"Our opponents," he said at one point, "today are criticizing the mess that they themselves left behind."

This strongly worded attack was delivered before a partisan, cheering crowd that overflowed the 10,000-person capacity of the Bradley University fieldhouse.

The crowd, which included

many university students, interrupted the speech 36 times with applause.

Eisenhower and his wife were applauded enthusiastically by crowds of up to 75,000 persons who lined highways and streets in this normally Republican area to cheer the motorcade on a six-mile run from the airport and again from
