

THE MAP ABOVE shows the boundaries of the Klamath Indian Reservation which is closed to all deer hunters other than enrolled members of the Klamath tribe. The roads which are being kept open for travel through the reservation are marked and hunters are welcome to traverse the area but they may not hunt. Remember the "No Smoking While Traveling" law.

# X2 Rocket Plane Hits; Pilot Dead

EDWARDS, Calif. (AP)—The speed and altitude record-holding Air Force plane X2, rocketing above 45,000 feet, developed unexplained trouble and crashed yesterday. The pilot was killed.

The needle-nose, swept-wing research craft, which had sped 1,900 miles an hour and climbed to a reported 126,000 feet on previous flights, ended its spectacular career in shattered wreckage on the desert 20 miles east of Edwards Air Force Base.

The body of the pilot, Capt. Milburn G. Apt, 32, still was strapped in the capsule cockpit section. He had apparently made no effort to escape by ejecting himself.

Apt, a 13-year Air Force veteran, died on his first flight in the X2.

The plane, built by Bell Aircraft Co., was taken up to 30,000 feet suspended from the belly of a B50 bomber. There it was released and its rockets shot it up in a steep, swift climb.

Following briefly were two plane's plunge to earth were given.

The three million dollar plane was one of two X2's built by Bell for research at supersonic speeds and extreme altitudes. The other was destroyed in an explosion while suspended from a mother plane over Lake Ontario in May, 1953.

Apt had flown chase missions on the X2. He lived with his wife, Faye, and daughters, Christine, 5, and Sharman, 2, at the base.

Your chance to save \$20 on a good looking, long wearing living room set!

### Burglars Hit KF Yacht Club

City police report that the Klamath Falls Yacht Club building was broken into early Thursday morning, with nothing having been taken. Access to the building was gained by prying open the west door and slipping the lock.

Yacht Club officials said it is believed the offenders were seeking alcoholic beverages, adding that such articles are no longer left in the club. Police said the building has been broken into on several occasions, mostly during the early morning hours after parties at the club.

### No Hunting On Reservation

The Klamath Executive Committee took action August 21 to close their reservation to all hunters except enrolled members of the tribe.

Patrolmen, their report states, are being hired to guard the reservation and these men will have authority to make arrests. Violators will be subject to prosecution under Section 216, U.S. Code, Chapter 6, Title 25 — Indians, which prohibits hunting by non-Indians on Indian land.

As a courtesy to hunters there will be certain roads open for travel through the reservation, but great caution is urged as the fire danger is very high.

### Firm Juvenile Policy Taken

LAKEVIEW — A firmer and stricter policy in handling juveniles who are brought before the court here is being adhered to, Howard Hopper, juvenile consultant for Lake County, stated in an interview Wednesday. Hopper is working in cooperation with County Judge C. H. Langset.

Each case will be thoroughly gone into and justice meted out accordingly, Hopper said, but the laws, including curfew, will be firmly enforced by local officers. Juveniles who are apprehended will make their first appearance before Hopper in handling of the cases.
