They'd love to know Lil's secret!

How in the world does she do it? Three youngsters, yet her house is always neat as a pin. And she seems to have time for so many other things, too!
Calm down, girls, and I'll let you in on Lil's secret. She simply finds quicker, easier ways to do her household jobs. For instance, she uses new, longer-wearing Bruce Self-Polishing Wax on her floors. And what a beating they take with three jet-propelled youngsters whizzing in and out of the house all day. But Bruce's bright, hard shine can really take it. Resists scuffs, dirt and stains. Wears longer! Try it. Like Lil, you'll find new Bruce Self-Polishing Wax saves you a lot of time and hard work.
