Wise birds wait!

They don't go out on a limb for the first new car they see. That figures. Because it just naturally takes a little longer to bring out a car that's sweet, smooth and sassy. Like the new '57 Chevrolet. It's new right down to the wheels it rolls on—with a daring new design, a new nothing-like-it automatic drive and a new V8 besides. Longer and lower, too. No wonder wise birds are waiting. Are you one?
