Chemult Club Holds Meetings

CHEMULT—The first fall meeting of the Chemult Community Club, after the summer recess, was held Wednesday evening, October 3. Hostesses were Mrs. C. C. Long, Mrs. Hule Knight and Mrs. Richard Clauson.

Mrs. Clauson, club president, has moved to Klamath Falls, but has signified her willingness to return for meetings to finish out her term of office until the annual election in the spring.

Plans were discussed for coming club projects. The next event sponsored by the group will be the annual Halloween party. The chairman will be named soon.

The annual Christmas party will be under the auspices of the Chemult Sunday School, led by Mrs. E. Forster of Beaver Marsh. Details are being worked out.

Shasta Group Compiles List

DUNSMUIR—Siskiyou council of the Shasta Cascade Wonderland Association voted at its first October meeting to compile a list of property owners along the banks of the Sacramento River from the Shasta County line to its headwaters. The council expects to request the bureau of public lands to acquire shoreline property for recreational use.

A similar study will be made of the Klamath River to insure access by sportsmen in years to come.

The group went on record condemning the building of private roads into primitive areas. John Reginato, association secretary, cited examples of logging roads being built into California's only remaining wilderness.
