Instant Chase & Sanborn COFFEE
REGULAR PRICE 25¢
NOW 25¢ OFF!

STANDARD BRANDS INCORPORATED is introducing its new six-ounce jar of Instant Chase and Sanborn Coffee in this area. The special introductory offer gives consumers a saving of 25 cents off on each of the attractively labeled red, white, blue and gold jars. Look for the big displays at your favorite grocer's market. The modern hunter of today tucks a jar of instant coffee into his kit instead of having to bother with brewing up a big pot of coffee. And the "hunting widow" at home finds instant coffee so convenient for making the one or two cups she drinks at a meal while the man of the house is searching for the wily buck or, later this month, is sitting from dawn in a duck blind.

Clam Chowder Bake

Have you tried Snow's Clam Chowder yet?
Here is a casserole recipe that is easy to make and is a little different from the usual run of such dishes.

- 1 can Snow's Clam Chowder
- 1 can Snow's Corn Chowder
- 2 cups milk
- 1 cup soft bread crumbs
- 2 tablespoons butter
- 2 tablespoons flour
- 3 beaten eggs

Melt the butter and blend in the flour, add milk and when hot pour over the bread crumbs. Add the beaten eggs and Snow's Corn and Clam Chowder. Bake in a buttered casserole set in a pan of hot water at 350 degrees for one hour or until a knife inserted comes out clean.

Luncheon Soup

Diced potatoes cooked until tender (but still firm) and green leafy spinach make this soup truly substantial, chopped onions add decided zest. And then there's the shredded Cheddar cheese that you can serve two ways—Melted and mixed in the soup or in a separate dish for each to sprinkle over his serving. It adds extra nourishment, extra flavor. Just for fun vary the cheese to introduce your family to some new taste pleasures. Provolone or Parmesan are just as appetizing as Cheddar. Try them and see!

POTATO AND SPINACH SOUP

- 6 servings
- 1/4 cup chopped onion
- 2 tablespoons butter
- 3 cups water
- 1 teaspoon salt
- 2 cups raw, diced potatoes
- 2 cups chopped fresh spinach
- 1 tall can (1 2/3 cups) Evaporated Milk
- 1 teaspoon Worcestershire sauce
- 1/4 teaspoon monosodium glutamate

Saute onion in butter until transparent. Add water, salt, potatoes and spinach. Cook until potatoes are tender, about 20 minutes. Add remaining ingredients and heat thoroughly but do not boil. Serve with shredded Cheddar, Provolone or Parmesan cheese for topping.
