

SHULTON, INC., introduces a new hair grooming tonic in the Old Spice For Men toiletries line. Old Spice Hair Groom Tonic is a fine quality liquid-cream to keep hair handsomely groomed. It contains a new co-polymer ingredient (a derivative of lanolin) that helps give longer-lasting manageability while still maintaining the natural feel and appearance of the hair. It comes in an unbreakable, plastic squeeze bottle and is the perfect companion for Shulton's new Old Spice Shampoo for Men.

"Come and see me some time" is a bland, half-hearted way to initiate a friendship.

THERE'S A LOT of nutritious goodness represented in this photograph of Applesauce Bread, enriched with instant Starlac nonfat dry milk, "the heart of milk," and served with glasses of chilled liquefied Starlac.

Clam Stuffed Eggs

With Snow's Mince Clams on the local market, there are so many ways to incorporate their goodness into meals. Mince clams can be used as the basis for so many dishes to whip up in a jiffy when unexpected company makes a "stretcher" needed for the next meal.

Cheese combines so well with clams, so it is used in the sauce for this dish.

Make a sauce of 5 tablespoons butter, 5 tablespoons flour, cooked together; add 2 cups milk and 1/2 pound processed or grated cheese. Cut 6 hard cooked eggs in half lengthwise. Remove yolks, mash and combine with 1 can Snow's Mince Clams, 1 tablespoon chopped parsley, 1 teaspoon minced onion and 1-3 cup mayonnaise or salad dressing.

Add half of the sauce to one 8-ounce package on noodles, which have been cooked, and place in casserole. Arrange stuffed eggs on noodles. Cover with remaining

sauce. Garnish with buttered bread crumbs and bake at 350 degrees for 20 minutes or until the crumbs are brown and the dish is heated through.

CLAM CHEESE DELIGHT

Saute 2 tablespoons minced green pepper and 2 tablespoons minced onion in 2 tablespoons butter until soft. Add 2 tablespoons flour, 1/2 teaspoon mustard and 1/2 teaspoon salt and blend thoroughly. Add 1 cup tomato puree, one 2-ounce can mushroom pieces and liquid, 1 cup grated cheese and 1 egg slightly beaten. Cook slowly, stirring constantly until cheese is melted. Add one 7 1/2-ounce can of Snow's Mince Clams and liquor. Cook until thick and serve over toast triangles.

Applesauce Bread

Cooler weather steps up appetites so snack suggestions are most appropriate at this time. Enriched Applesauce Bread recipe makes nutritious taste mighty good, too, especially when it is served with glasses of chilled liquefied instant nonfat dry milk at snack time.

The nugget of enrichment hidden in this tasty recipe is one-half cup of instant nonfat dry milk powder—the equivalent of more than one pint of nonfat milk—added to the flour and other dry ingredients. Ordinarily, however, a recipe for applesauce bread does not call for any milk.

Instant Starlac nonfat dry milk, which is top-quality pasteurized milk with only the fat and water removed, is rich in the important milk nutrients—protein, calcium and riboflavin—and that is why it is known as "the heart of milk." It is a versatile product and is so easy to use for it liquefies immediately, even in ice water. Or it can be used in the powder form

in many recipes such as the Applesauce Bread. Also, it whips.

Instant nonfat dry milk is most economical as well as nutritious and convenient. The family-size package makes 12 quarts of nonfat milk for as little as seven cents a quart. Instant nonfat dry milk also is available in two other convenient packages—a one-pound package which makes five quarts of nonfat milk and a pre-measured package which contains three individual envelopes, each making one quart of nonfat milk.
