

Stengel Mapping Yankees' Future

By ED CORRIGAN
NEW YORK (AP)—Now that his own status has been resolved—his going to be back at the helm for two more years—manager Casey Stengel of the New York Yankees turned to ways and means of keeping the world cham-

ionship banner flying over Yankee Stadium.
"Right now," he rasped, "our weak spot is left field. If we make a trade, it will be for another outfielder. I'm set with Hank Bauer in right and Mickey Mantle in center."

About Enos Slaughter, 40, Stengel said he doesn't plan to go along with him for another year, adding he is reserving the right to change his mind.

"After all," he said, "we bought him in the first place for insurance and pinch hitting."
Stengel, 66, signed a new two-year contract yesterday, calling, reportedly for about \$75,000 a year.

"A lot of people have been saying I'm getting old and ought to quit," winked the pilot who has won six world's championships in eight years with the Bombers.

"But I don't see why I should retire when my health is good. And it's as good right now as it was in the spring."

"You know," he continued, "we'd have an easier time making a trade if we hadn't done so well in the World Series."

"But even so, we've got some fine prospects of our own coming up from our farms."

He named Tony Kubek and Bobby Richardson, both of Denver's American Association club. Kubek is a combination infielder-outfielder and Richardson is a second baseman, whose .350 batting average would indicate he's ready to push Billy Martin over to third base.

Stengel, who will head for his Glendale, Calif., home Monday, also revealed he was going to pay close attention to the no-windup pitching delivery in the spring.

Don Larsen used it in his perfect no-hit against the Brooklyn Dodgers in the Series and Bob Turley used it the next day in a 1-0 loss.

General Manager George Weiss also had kind words for Casey, along with a warning.

"If anyone is to be congratulated," he remarked, "I think it's the Yankees for being so fortunate, as to get Casey for another two years."

"But I know, too, that we can't afford to stand still. All you have to do is look at the Dodgers as an example. They won the pennant by 13½ games last year, but stood pat and had a tough time winning this season."

Pirates Register 29th Win

By THE ASSOCIATED PRESS
Pittsburgh (AP)—The Pirates' big high school football powers rolled closer to the class A-1 playoffs with victories Friday night.

Marshall, ranked No. 1 since the start of the Associated Press poll this season, handed Springfield, No. 8, its first defeat, 27-7, in a crucial district 5 game.

The defending state champions now are unbeaten in 29 games, with a 20-0 tie with Medford on record this season.

Medford, No. 2, bolstered its role as district 6 favorite by trouncing Klamath Falls, 47-19, with fullback Loren Christensen scoring five times on short runs and Eldon Francis making a 78-yard touchdown punt return.

Eugene, No. 3, and now Marshall's major foe for the district 5 title, came from behind to defeat Albany, rated sixth and a favorite in district 8, by a 7-6 score.

Beaverton and Gresham, ranked No. 4 and 5 co-favorites in district 3, preserved their perfect records. Beaverton defeated Hillsboro, 27-13, and Gresham outscored Milwaukie, 31-21.

McMinnville, No. 7, also remained unbeaten and untied with a 24-12 victory over Lake Oswego in district 4.

Grants Pass, ranked ninth, remained in the district 6 running with a 33-0 win over Ashland.

Pendleton, seeking its second straight district 7 title, spoiled The Dalles' perfect mark with a 13-6 victory. La Grande, another leading contender in the district, routed Milwaukie-Freewater, 35-12.

In the Portland city league Benson and Lincoln remained unbeaten. Lincoln blanked Jefferson, the defending champion, 13-0, while Benson trimmed Cleveland, 25-14.

Parkrose maintained its perfect mark with a 6-2 victory over David Douglas of Portland in district 3.

St. Helens squeezed by Oregon City, 21-20, to retain a chance for the district 4 championship.

South Salem and Corvallis remained in district 4 contention. South Salem trampled Lebanon, 20-0, while Corvallis edged Sweet Home, 12-6. In another district game North Salem beat Bend, 26-0.

Honkers Top Burns Team

The Lakeview gridders racked up their fifth win this season without a loss when turning back Burns 38-9 on the Lakeview turf.

Bob Lamb launched the scoring parade when he went through in the first heat on a quarterback sneak. The victors scored twice in the second quarter, first when Marvin Tyler broke loose for a 33-yard payoff run, and then when Tyler tossed to Clyde Creel on a pass play netting 75 yards and the score.

Lakeview went scoreless during the third period but managed to push across two which were called back.

The onslaught continued in the fourth period when the winners garnered three counters. First, Jay Wilkie broke away on a 15-yard scoring run; a Tyler to Creel pass was good for a 15-yard score, and Ron Daron wrapped it up when he intercepted a Burns pass and went all the way into the end zone.

The win qualified the Lakeview for the 7-A2 sub district playoffs, and brought their present win streak to seven games including the two won during the late stages of last year's season.

Next week Lakeview will host Redmond.

Hurricanes Win Game 13-6 Friday

MIAMI, Fla. (AP)—Miami's Hurricanes, proving they could travel through the air as well as on the ground, defeated Maryland 13-6 Friday night for their third straight victory of the football season and their eighth in a row over a two-season span.

Sam Scarneccia, the No. 1 quarterback, and his understudy, Bonnie Yarbrough, each connected with a touchdown pass after Maryland's big line had barricaded Miami's rushing attack.

Between them, they completed nine of 12 throws.

Maryland, one of the year's most disappointing football teams, showed it was going to be tough when it stopped a Miami drive one foot from the goal line in the second period after the Hurricanes had driven to a first down at the seven.

But quarterback John Fritsch spoiled this great defensive effort by fumbling as he tried to run the ball out and Don Johnson recovered for Miami at the three.

Despite two straight penalties that shoved them back 20 yards, the Hurricanes scored on a 23-yard pass from Scarneccia to John Bookman to go into halftime with a 6-0 margin.

In the third period, Yarbrough, a sophomore southpaw, led the Hurricanes on a 75-yard aerial drive climaxed by his six-yard touchdown pass to Jack Johnson.

In a last-period rainstorm, the Terps traveled 80 yards to score on Fred Petrella's one-yard plunge.

Pick Lions Over Rams

By EARL WRIGHT
United Press Sports Writer
The Detroit Lions, the only perfect record team in the National Football League's Western Division after two weeks of play, are 6½ point favorites to run their victory string to three games when they play host to the Los Angeles Rams in one of the pro circuit's six Sunday games.

The Chicago Cardinals have upset the champion Cleveland Browns and New York Giants for the Eastern Division's only perfect record, but the oddsmakers aren't convinced they can keep it up.

The Cardinal clash with the Redskins at Washington is rated a toss-up.

The Browns and Giants, picked as the chief contenders for the Eastern title when the season began, meet at Cleveland and this game also is rated even.

In the other games, the Bears are 10½ point favorites over the San Francisco Forty Niners at Chicago; the Steelers are 2½ point picks to defeat the Philadelphia Eagles at Pittsburgh; and the Baltimore Colts are one point choices against the Green Bay Packers at Milwaukee.

All six games will be televised on regional networks by CBS.

Lightest man on the Syracuse roster is quarterback Chuck Fogerty, 166-pound sophomore.

Gene (The Mouse) Newton was in the quarterback spot for 18 of Tulane's 24 touchdowns in 1955.

Twenty-nine favorites have scored during the 81 runnings of the Preakness Stakes at Pimlico.

Panthers Top Stubborn Bonanza Squad

The favored Chiloquin Panthers had to come from behind Friday night in Gem Stadium to push under a stubborn Bonanza squad. But it was only a matter of time. The winners got underway late in the second period with the passing arm of Clay Miller and the running antics of Darrell Wilson and went on to chew out a 26 to 14 win.

The losers had the first sprinkling of glory early in the opening period when a Chiloquin punt attempt was blocked and Gerald Jackson recovered for Bonanza on the Chiloquin 42. The underdog squad then found a weakness through the Panther midline.

Sparked by the power running of Dan Nork and Dave Duarte, the Bonanza chargers found themselves on the Chiloquin 10-yard line seven plays later. An end-zone pass from Bonnie Roberts to Duarte was good and the score, and Duarte went off left tackle or the conversion to put the way down under out in front 7-0.

The thoroughly chilled Bonanza gridders came right back to their feet following the onside kickoff. There was a fumble on the play and Bonanza recovered on the midfield stripe. But the enthusiasm was short lived. The Chiloquin forward held and Bill Tiskey punted to the Panther 30. Then the winning combination began to roll.

Darrell Wilson moved the ball to nearly midfield in two attempts, and a long pass from Miller to Manuel Ochoa put the skin on the Bonanza 13. A short plunge moved it to the 10. On the next play Miller took on the appearance of young Van Brocklin himself and spiked Ochoa in the end-zone with a scoring aerial. The try for point failed with Bonanza leading 7-6 early in the second period.

SCORE AGAIN
The Panthers came right back and launched another scoring drive when Bonanza was unable to gain ground after the kickoff. Musson Sandoval took the short punt on the Bonanza 30 and made it back to the 39 before being dropped. Wilson then carried four plays, pushing them into pay a remarkably high figure . . .

the multi-point underdogs were in front 14-13. The half ended with that score.

And that was all she wrote. The smooth clicking Panthers took command with the opening seconds of the third period and had the game all their way from that point. The third Panther score was set up when Mike Ravizza intercepted a pass on his own 30 and galloped to the Bonanza 18 before being pulled down. Sandoval moved it to the 12, and a pass from Miller to Collins tallied the score. The try for point failed.

The remainder of the third quarter was marred by fumbles and interceptions with the period ending 19-14 with the Panthers on the long end.

The fourth period drive of the Panthers got underway with an in-

effective combination of shovel passes from Wilson to Butch Barnes. Both attempts paid off with the ball ending up on the Bonanza 29. Miller passed to Barnes to the 20, and two plays later he hit Collins on the two. Miller went in for the score and the try for point was good.

Just before the final gun sounded Gary Daley squelched a Panther threat when he intercepted on his own 15 and went back to the Bonanza 30 before being knocked down.

The game statistics are as follows:
First Downs—C 13, B 4; pass attempts, C 17, B 15; Pass completed—C 11, B 4; fumbles, C 4, B 1; Own recovered, C-0, B-0; Penalties, C 65-yds in 5, B 20-yds in 4.

Ore. Gridder Faces Charge

CORVALLIS, Ore. (AP)—Paul Lowe, Oregon State College football tailback, is expected to appear in court Monday to answer felony charges of stealing a bicycle.

Lowe, the team's leading ground gainer, and another student, Bert Washington, were indicted by a grand jury recently for the June 29 theft.

They appeared in court July 7 and waived preliminary hearing. Further court action was scheduled Friday but had to be postponed because of a crowded docket.

Lowe said he would plead innocent. He contends that Washington loaned him the bicycle and that he was not aware it did not belong to Washington.

For a time there was a question about Lowe playing in the Oregon State-California football game Saturday. But Coach Tommy Prothro and Dean of Men Dan Poling said no action would be taken by the school in the case until the matter had gone to court.
