

New World Speed Mark Set By Apt

WASHINGTON (UP) — Capt. Milburn G. Apt reached a world record speed of more than 2,100 miles an hour just before he died in the mysterious crash of the X2 rocket plane on Sept. 27.

Reliable sources disclosed the speed today as the Air Force provided new details of the "Flying Laboratory's" fatal flight at Edwards Air Force Base, Calif. But they said the cause of the accident was still unknown.

The crash stripped the United States of its fastest airplane — a rocket powered research ship pioneering the way for future war-

rocket plane — after it had become known in aviation circles that some scientists thought the X2 test program was pushed too fast.

These scientists believed the plane should have been driven to its maximum capability more gradually since it was being flown in barely understood altitude and speed regions. Before the Sept. 27 flight, the X2 had reached an altitude of 126,000 feet with Capt. Ivan Kincheloe at the controls and a speed just over 1,900 mph with Lt. Col. Frank Everest piloting.

Anti-Pollution Measures Eyed

DUNSMUIR—Measures to avoid pollution of the Sacramento River and means of assuring access to recreational streams were discussed at the board of directors meeting of the Shasta-Cascade Wonderland association meeting at the Hotel Dunsmuir on Sunday afternoon.

The group advocated the promotion of primitive areas in the six Northern California counties and is seeking to promote boat launching ramps on the Sacramento River. A progress report on the development of the Mount Shasta ski bowl was heard, and possible rail passenger service curtailment discussed.

Stewart McKenzie of Red Bluff, association president, conducted the meeting. John Reginato of Redding, executive secretary, announced that the new Shasta-Cascade Wonderland building will be ready for occupancy in December.

Mrs. William DiCristina was hostess to the wives of the delegates and a dinner for all concluded the session.

P.T.A. PETERSON PTA

Parents and Patrons of Peterson School turned out in full force on Tuesday evening, October 9 to being the new school year with a "bang." Over 300 interested parents took advantage of the open house preceding the first Parent and Patrons meeting to visit with the staff and to become better acquainted with the physical plant of the school itself.

After the open house parents and patrons assembled in the gym for the first meeting of the new school year. Carrying out the "get acquainted" theme, Lawrence Wills, president for 1955-57, introduced the members of the executive board. They are as follows: first vice president, Charles Bane; second vice president, Howard Bailey; secretary, Mrs. Clark (Mae) Good; treasurer, Mrs. Ralph (Virginia) Fuller; member-at-large, Mrs. Don (Bernice) Christy; publicity chairman, Mrs. Lee (Margaret) Saunders; hospitality chairman, Mrs. Charles (Pat) Boylen; and program chairman, Charles Bonney.

Arthur Millard introduced the teaching staff. Peterson School will be operating at full capacity this year with all of its 16 classrooms in use. In addition to the classroom teachers, the school employs a full time music instructor. For the benefit of the many new parents, Millard gave a brief talk on school policy, the county school system, and the growth and progress of Peterson School since its opening in 1950.

Mrs. Christy reported the results of the recent membership drive. Miss Konop's first grade won first prize with 92 per cent. Other winners were Mrs. Taylor, second, and Mrs. Tomlin, third. During the period October 1 through 5, 389 memberships were turned in to the Parents and Patrons Association.

Members present at the meeting voted to sponsor a scout troop. Known as Troop 75, the scouts will be under the leadership of Bill Francisco and Ronald Wilkerson, both teachers at Peterson School. It is felt that the new troop will be an asset not only to the school but to the community as well. Peterson School also sponsors Cub Scout Pack 75.

Miss Konop's first graders also won the room count prize for the evening. Refreshments were served by the executive board at the close of the meeting.

SALEM (UP)—The Legislative Interim Committee on local government put the finishing touches Tuesday on a bill to let county courts supply services outside of cities.

These services would be water supply, fire protection, sewage systems, parks and recreation areas, streets and sidewalks, and street lighting.

Ten per cent of the residents of an area could petition the county courts for such services. When such a service area is created, the people in the district would pay the cost.

The bill will be submitted to the 1957 Legislature, which meets here January 14.

Modoc-Lassen Growers To Hold Wool Meeting Friday

Jack B. Rice, Alturas, president of the Modoc-Lassen Wool Growers Association, has announced the annual fall meeting will be held at Mary Arena's Hotel, Alturas, Friday.

On the agenda for the meeting, which opens at 10 a.m. are reports on incentive payments for lamb and wool, marketing problems, animal health and nutrition, and lamb and wool promotion, Rice said.

Byron E. Haslam, State Agricultural Stabilization and Conservation Committee, Berkeley, will use a blackboard to illustrate "who gets the incentive payment on ewe lambs purchased for replacement purposes," with a question and answer period to follow.

Circus To Open 1957 Season

NEW YORK (AP)—The tentless Ringling Bros. and Barnum & Bailey Circus plans to open its 1957 season under a roof in Madison Square Garden April 3.

County Court Bill Finished

SALEM (UP)—The Legislative Interim Committee on local government put the finishing touches Tuesday on a bill to let county courts supply services outside of cities.

Radios Hamper Rocket Tests

FORT CHURCHILL, Man. (AP)—Radio interference from taxicabs in North Carolina, an air base in Florida and missile proving grounds in New Mexico have delayed U.S. Army attempts to test-fire a high-altitude rocket here in the subarctic.

Siskiyou School Bond Sale Ready

YREKA — Siskiyou Union High School bonds totalling \$750,000 will go up for sale on November 20, according to a report from District Superintendent Jere Hurley.
