

JUST ANSWER THE QUESTION, MISTER MORSE....

*You Keep saying that you are
running on your record . . .*

SO YOU HAVE MADE YOUR RECORD THE ISSUE

*If you're running on it you
had better explain it . . .*

1. WHY, when President Eisenhower's primary concern was stopping the war in Korea, did you refer to the President as "the most dangerous man who will ever have been in the White House"? (That's what you said . . . New Republic magazine, March 2, 1953.)
2. WHY did you vote to keep on shipping our war materials to Red China? (That's what you did when you voted against the Formosa Resolution. Jan. 28, 1955.)
3. WHY did you favor admitting Red China to the United Nations? (That's what you did when you urged that the U.S. "abstain from voting" on that issue in the U. N. Oct. 12, 1950.)
4. WHY is making money from outside speeches more important to you than being a full-time Senator? (The record - your record - shows that you get most of your income by running around the country making speeches - when you should have stayed in the Senate representing the people of Oregon.)
5. WHY do you continue to accept tens of thousands of dollars from Eastern labor bosses to pay for your campaign?
6. WHY have you failed Oregon on natural resources? (In ten years you had only one bill passed that had any bearing on natural resources.)
7. WHY have you been so ineffective in the U. S. Senate? (Less than four percent of the bills you sponsored were ever signed or put into law.)

And finally, just what HAVE you done for Oregon
