*and hear this from a
bathtub sailor!*

▲ "My name's Bud. And from what the Old Man tells me, the U. S. Navy is all right. Besides having the biggest ships and the best equipment, he says the men of the U. S. Navy are the finest in the world. (Three guesses what he wants me to be when I grow up.)"

The U. S. Treasury is proud to join Bud in saluting the Navy as well as all the Armed Services that guard and protect our country. Many Service men and women are not only helping to preserve peace and prosperity for the land they love, but are also helping to insure happiness and security for themselves and their families by investing regularly in U. S. Savings Bonds.

This spirit of loyalty and forethought is a typical characteristic of the more than 40,000,000 Americans who now own more than \$40,000,000,000 in Savings Bonds. Do you own your share?
