**U.S. Reappraises Aid Policy Toward Poland**

WASHINGTON (AP)—A reappraisal of United States policy toward Communist Poland is in the making. The chances appear good that Poland's new, independent Red leadership can obtain American economic aid if it wishes—and if it survives.

Secretary of State Dulles told a nationwide television audience last night—after conferring with President Eisenhower—that anything which weakens the "great structure" of Soviet Communism power "and leads to its breaking up" is in the interest of the United States.

His words on this and other aspects of the sensational revolt

in Warsaw against Soviet domination left little doubt that he sees the prospect of an independent Poland as comparable to the situation of Yugoslavia after its break with the Kremlin in 1948. Yugoslavia obtained help from the United States, Britain and France in order to withstand Soviet pressures.

Even before Dulles spoke out, the White House suggested in response to questions that the help given President Tito of Yugoslavia had encouraged the Polish revolt against Soviet dictation. Eisenhower ruled a week ago that aid to Tito should continue.

"I certainly think," press secretary James C. Hagerty told newsmen, "that the President's insistence on continued aid to Yugoslavia reflects itself in the Polish situation and in other unrest in other satellite nations."

The Polish crisis reached a climax last night when the Communist Party Central Committee at Warsaw drove the Stalinists from its controlling Politburo and restored Wladyslaw Gomulka, who was purged in the days of Joseph Stalin, to the powerful post of first secretary.

The ouster from the Politburo of Marshal Konstantin Rokossovsky, defense minister and symbol of Soviet power in Poland, was seen here as convincing evidence that Gomulka is in deadly earnest about winning for Poland freedom of action.

**Utah State Takes Livestock Prize**

PORTLAND (AP)—Top honors in the intercollegiate livestock judging at the Pacific International Livestock Exposition, which opened Saturday, were taken by Utah State College.

Brigham Young University, Utah, was second in the team judging; California State Polytechnic, third; and Fresno State fourth.

The winning Utah State team was first in cattle and sheep judging and second in hog judging.

**LONGER LIFE FOR ELASTIC in Shorts, Socks, Bras, etc.**

How many times have you had to discard otherwise good garments because the elastic has stretched to uselessness? This is a needless waste that can be prevented by using White King Soap. No other type of wash-day product preserves elastic like White King Soap. So, from the day you buy them, be sure to wash elasticized socks, petticoats, undershirts, girdles and bras only in White King Soap. You'll add months to the life of garments with White King Soap.

**BAY HERDERS**

SAN FRANCISCO (AP)—Anyone for sheep herding in San Francisco Bay? The Army Corps of Engineers is ready to lease Angel Island, the biggest island in the bay, for sheep grazing. A call for bids says dry and rocky Angel Island could graze 1,620 sheep. An additional 2,300 acres capable of grazing 7,500 sheep is offered in the Fort Baker area.
