Sincere Democrat and civic leader of Eugene, Oregon

"Why Democrats are voting for DOUG MCKAY"

"I believe in the constitutional concepts of the Democratic party as outlined at our Chicago convention. But Wayne Morse with his empty promises to farmers, veterans, and selfish pressure groups has gone far beyond our party platform. We Democrats intend to keep our promises—and therefore cannot support the one-man party promises of Wayne Morse."

Here is what Morse said about the Democrat Party

"The Democratic party is bankrupt for leadership and the administration is honeycombed with corruption and malfeasance in office."—Sen. Morse in the San Francisco Chronicle, Dec. 12, 1951.

KFLW 7:15 P.M. MONDAY

Elect DOUG MCKAY YOUR U. S. SENATOR

PA Ad. Democrat for McKay Comm. Brook Beach, Chairman, 123 So. Sixth, Klamath Falls, Ore.

Why should an experienced business man be elected County Judge, Mr. Mack?

Problems developing in our suburban area ... streets, sanitation, sidewalks, playgrounds, fire protection, police protection, lighting ... and there will be others, are problems one official cannot answer with a "yes" or "no". One man serving with a board of three cannot truthfully say he has the answers and will solve all problems in his administration. I am willing to spend my time with the other two men in solving some of these problems.

My experience in public office, in business and in community service has taught me that plans must be laid for ahead of actual doing. Today's bad streets in suburban areas could have been prevented 25 and 30 years ago had careful planning been done. Planning today will prevent them in the future.

While president of the Klamath Falls Kiwanis club the Kiwanis park playground in Mills Addition was started. Seven years later I was privileged to present it to the city in behalf of Kiwanis. We, as Kiwanis, are starting another planned playground this year, we have set our goal for completion in five years ... it may take longer.

Business experience has taught me to buy properly ... in spending \$3,000,000 of taxpayers money ... it is important that buying is properly done. You can't be a "Santa Claus" with taxpayer's money!

When you hire a man for the county judge job Nov. 6th - Hire the best qualified and experienced man for the job.
