

MRS. OSCAR PAULSON, Salem, whose husband, Director of Vocational Education, was here for the board meeting, Ronald Jones, center, chairman of the State Board of Education, Brooks, and Arnold L. Grelapp, superintendent of Klamath Falls schools, all show enthusiastic enjoyment of O'Neill hospitality and excellent food, for which the hosts are known.

Other guests, not pictured, were board member G. C. Huggins and Mrs. Huggins, Coos Bay; Mr. and Mrs. Lyn Gubser, McMinnville (he's superintendent of Yamhill County schools); May Darling, board member, Portland; Mrs. Arnold L. Grelapp and Mrs. E. A. Geary.

DURING THE EARLY DINNER at the home of Mr. and Mrs. Victor E. O'Neill last Sunday evening, thoughts were all for food—and guests gave it flattering attention. After dessert and coffee, food for thought of course, was the reception later that evening at OTI; and the important meeting Monday afternoon when the State Board of Education would be in session on the OTI campus to make vital decisions on the proposed Oregon Technical Institute 1957-1959 biennium budget. As reported in a recent Herald and News story members gave it official approval.

In the picture, from the left, S. E. Brogoitti, Helix, state board member, and also on the executive board of the National School Board Association; E. A. Geary, president of the Oregon State Senate; Mrs. Winston D. Purvine, OTI Director Purvine and Oscar Paulson.

DORRIS VFW AUXILIARY

President Wilma Fenwick presided at a regular meeting October 11 of the Veterans of Foreign Wars Auxiliary No. 5944 in the Dorris City Hall, with 21 members present. Four new members who took the obligation were Rosemary Hunsbuck, Joyce Winkelman, Barbara Egeline and Lois Hiersch.

The district president notified the auxiliary the award would be presented when she makes her official visit. A letter was received from Mrs. Joe Stallcup resigning as conductress, and Mrs. Leona Tuter was appointed new conductress.

Two letters were read from the Camp White Hospital thanking the group for nylons, books and magazines sent patients there. A correction was made by Mrs. Vena Gilmer as to the Yountsville Hos-

pital which the auxiliary makes an annual contribution for. It is a hospital for veterans, not a veterans' children's hospital as previously stated.

The auxiliary bazaar will be November 10, when food, plants, fancy work and many novelties will be for sale.

Betty has them buzzing!

Beats me how she does it! All those youngsters, that big house and everything as neat as a pin! Yet she has more free time than any of us! Give up, girls? Then I'll let the cat out of the bag. Betty's no superwoman! She simply finds the quickest, easiest way to do every household chore. For example, she uses new, longer-wearing Bruce Self-Polishing Wax on her floors. Cowboys and Indians? Betty doesn't care. She doesn't even groan when dad forgets to take off his grimy work shoes. Bruce's bright, hard shine resists scuffs and dirt. Wears much longer. Try it! Like Betty, you'll find new Bruce Self-Polishing Wax saves you time and hard work.

For floors, use BRUCE! Cleaning Wax • Floor Cleaner • Asphalt Tile Cleaner • Asphalt Tile Wax • Polish Wax • Self-Polishing Wax
