

ROYALTY RODE in splendor Saturday, October 20, when the beautiful queen's float led the Klamath Basin Potato Festival parade down Main Street in Merrill packed with several thousand spectators. Autumn colors of bronze, gold and yellow were carried out. Frocks of the princesses also blended into the central note. Queen Peggy 11 (Carson) in royal purple velvet robe, carried an arm bouquet of red rose buds. Junior attendants at foot of throne, (left to right) Kay Thompson and Paula Harris. Senior princesses, center, same order are Shirley Young, Tulalake and Arlene Zeiders, Malin. Front row, left is Della Smith, Henley and Judy Sutherland, Bonanza.

Wool Contest Winner Told

LAKEVIEW — Donna Odegard took first place in the "Make It Yourself With Wool" Lake County district contest according to results announced following the judging Friday afternoon, October 19, in the home economics room of the Lakeview High School. Donna was in the senior division which was open to girls 14 to 22. By virtue of her rating she will receive a trip to the annual meeting of the Oregon Woolgrowers in Portland, November 8, 9, and 10, at which time she will be entered in the state competition. She also received a gold plated tracing wheel at the close of the competition here.

Second place went to Shirley Scoville, who received a sewing kit.

In the junior division, which was open to 13 year old girls, Helen Odegard received as a prize a length of Pendleton woolen material for first place. Second place, and a supply of Woolite, went to Mary Lee Scoville. Two were entered in each division. Jerry O'Leary of Paisley, chairman for this district of the contest, sponsored in the state auxiliary of the Oregon Woolgrowers. She expressed her appreciation for the cooperation of

Lake Extension Work Detailed

LAKEVIEW — Material has been distributed to the 35 area chairmen throughout Lake County who are assisting the committee endeavoring to save the Extension Service for the county. Committee chairman is Don Hotchkiss.

Lakeview proper has been divided into districts, with areas assigned to each worker. This group is under the direction of Mrs. Anne Sprague and will distribute the information from house-to-house on Monday and Tuesday, October 29 and 30. The measure will be on the ballot November 6 asking for a two year levy of \$6,575 per year to pay local expenses of the offices of the county agent and 4-H Club agent. Volunteer workers are endeavoring to secure a favorable vote.

AROUSED — GLENDALE, Calif. — Democrats' ire has been aroused by what they call a new kind of smear — with shoe polish. Party workers found their headquarters window and signs defaced with long, thick daubs of black polish. Police blamed youthful vandals.

Modoc Scout Council Gets Jamboree Quota of 37 Boys

The Modoc Area Boy Scout Council has been given a quota of only 37 scouts instead of the expected 111 boys from the Eastern Oregon district to attend the fourth annual Boy Scout Jamboree to be held next year again at Valley Forge, Pennsylvania. Jim Harpole, scout executive said today that the list of those planning to attend is growing rapidly and that 21 names have been filled to date.

The scouts will leave Klamath Falls by special train on July 23 with scouts from Salem, Eugene and Medford. The itinerary includes 10 days camping at Valley Forge and trips to New York City, Washington, D.C., Philadelphia, Montreal, Detroit, Kansas City, Colorado Springs where they will visit the Air Force Academy, Salt

Lake City and San Francisco. To be eligible a scout must be 12 years old and of first class rank. The last jamboree held in Valley Forge was in 1950.

The group from Oregon will be accompanied by Bob Lamont, Scout executive at Walla Walla, Washington, former executive in the local area and other scout leaders.

Harpole will accompany the Modoc Council contingent. Two boys of the 37 will be chosen to go to England to attend the 100th birthday anniversary of the founder of the Boy Scout movement, Lord Baden-Powell. Those from all the districts at the jamboree who will make the trip will camp for two weeks in England, then will tour Switzerland, Italy, France and Germany.

Cost of the trip to Valley Forge is \$450, to England, \$850. Since expenses are frequently impossible for worthy boys to raise, Harpole suggested that the support of a

service club or fraternal organization would be welcome. Boys who have already signified intention to make the trip to Valley Forge are Denny Kalina, Don Stastny, Edwin Stastny Jr., Malin; David Ragland, Keith Baxter, from Malin and three boys from David Whetstone, Ted Blair, Bill Madras.

Foster, Richard Bogatay, Fred Fleet, Klamath Falls; Chapman Stranahan, Warren Gregg, Barton Bonney, Martin Clapp, Redmond; James Sturgil, Elvrit Van Wert, Stastny, Edwin Stastny Jr., Malin; David Ragland, Keith Baxter, from Malin and three boys from David Whetstone, Ted Blair, Bill Madras.

Never before in history has anything

built by man traveled so far in so short a time

—by land or sea!

An announcement of decisive importance to anyone about to buy a new automobile

The most exhaustive endurance test ever given an automobile has just been completed by two stock '57 Fords—identical in every respect with cars now being offered by Ford Dealers.

Under supervision of the United States Auto Club and the Federation Internationale de Automobile, each of these two '57 Fords traveled 50,000 miles in less than 20 days. Ford No. 1 averaged 108.16 mph for the entire run... Ford No. 2, over 107 mph. These averages include time for all pit stops.

In all, the '57 Ford smashed 458 national and international records.

This test was run on the Bonneville Salt Flats in Utah... it was the longest left turn in history.

A car, like a man, is known by its deeds, not words.

That is why, we at Ford, despite our confidence in our '57 cars, let their deeds of accomplishment speak for themselves.

We wanted them to prove to you—in action—the stamina and performance we had built into them. No words of ours could speak with equal conviction.

Therefore, we engaged an independent engineering organization to test our '57 cars more thoroughly than any other cars have ever been tested before—in this country or abroad.

We provided them with '57 Fords—cars identical with those now offered by Ford Dealers. The rest we left up to them.

Here is what they did:

They took these cars to the Salt Flats at Bonneville, Utah.

Here, twelve of the world's greatest drivers took over.

In relays they drove these cars night and day for a distance greater than twice around the world... a distance equal to 5 years of normal driving.

Not in all history has a man-built machine traveled so far in so short a time—by land or sea!

But this was not a test of speed—but of endurance of the "Inner Ford." A trial to take the measure of Thunderbird Y-block V-8 power without qualification of any kind. A test of running gear—of brakes, of materials in body and chassis. Of steering and roadability, yes, and comfort, too!

A test, indeed, such as no cars have ever undergone, let alone successfully concluded.

We feel that by their deeds, you shall know the '57 Ford cars. Surely they have told you, in decisive terms, that they are worth more when you buy... and when you sell!

Your Ford Dealer will gladly place at your disposal the new kind of Ford that means a new kind of value for your car-buying dollar—the greatest the world has ever seen.
