

FALL ENTERTAINING can feature easy to prepare delicacies such as Coconut Hors d'Oeuvres, served with a plate of Coconut Fruit Sandwiches (both shown here) as the dainty tidbits to serve with a hot cup of tea or coffee. Add coconut to a whipped cream fruit salad dressing, too, for a new taste treat. Photo and recipe suggestions are courtesy General Foods Corporation's Bakers Angel Flake Coconut.

TEA DAINTIES

When you entertain your book club or are having a coffee for a visiting politician's wife, simple cookies and hot tea and coffee can be your mainstay in the refreshment line. Add a pretty tray of coconut sweets to dress up your party. Here are some coconut ideas:

COCONUT HORS D'OEUVRES

1 package (8 ounces) cream cheese, softened
1 1/2 tablespoons chopped chutney
1 teaspoon curry powder
Dash of salt
Tender-thin flaked coconut
Combine cream cheese, chutney, curry powder, and salt. Chill slightly. Shape into bite-sized balls. Roll in coconut. Makes 3 dozen.

COCONUT FRUIT SANDWICHES

1/2 package (1 1/2 ounces) cream cheese
1 can (1 1/2 ounces) tender-thin flaked coconut
1/2 cup walnuts, chopped
1 cup seedless raisins, chopped
1 tablespoon lemon juice
2 tablespoons sugar
1/4 cup light cream or milk
1/2 teaspoon salt
Cream the cheese with a fork until soft and smooth. Add remaining ingredients and mix well. Spread on buttered thin slices of whole wheat bread. Cut in desired shapes. Makes 2-3 cups filling.

COCONUT SALAD DRESSING

1 egg, slightly beaten
1/4 cup honey
Dash of salt
3 1/2 tablespoons lemon juice
1/2 cup tender-thin flaked coconut, toasted
Combine egg, honey, salt, and lemon juice in top of double boiler. Cook over boiling water until thickened, stirring constantly—about 5 minutes. Fold carefully into whipped cream. Chill. Just before serving, fold in toasted coconut. Serve with fruit salads. Makes 1 1/2 cups salad dressing.

Aid to Beauty

Wouldn't it be wonderful if our era was remembered as "the age of beauty"? It could happen, considering the giant strides that have been made in cosmetic research laboratories in recent years.

Responsible for the latest "beauty discovery" is Coty, Inc. whose research scientists have developed a remarkable new two-in-one Vitamin Moisture Balancer that prevents wilted, prematurely aging skin and provides a glowing new lease on life for all complexions.

A creamy liquid, Vitamin Moisture Balancer lubricates and maintains the vitally important balance of the skin, while at the same time, Vitamins A, D and E, and a special lanolin derivative, penetrate deeply to nourish and promote the growth of new, younger-looking skin.

Normal skin contains 70 per cent moisture—which under ideal conditions is maintained by nature. However, soap and water, exposure to sun, wind, extreme cold and steam heat contribute to dryness and destroy the moisture equilibrium of the skin!

Coty's Vitamin Moisture Balancer helps restore the oils and moisture lost daily and provides an ideal skin "climate" for the healthfully beautifying effects of the vitamins it contains.

Vitamin Moisture Balancer is available in two formulas: one especially formulated for Dry and Normal skin and one for Oily skin. Both are presented in pretty gold-topped flacons. Because so little is required for each "treatment" the cost comes to only a few pennies per use.

Because of the importance of applying Vitamin Moisture Balancer over a freshly cleaned skin, Coty, for a little while, is offering a bonus bottle of liquid "Instant Cleanser" with each purchase of Vitamin Moisture Balancer.

A BEAUTIFUL PARTY PIE, made with Banana Cream, one of the two new flavors of instant puddings now added to the famous Jell-O line, is an easy and delightful dessert. A new lemon-flavored instant pudding is also available.

PARTY PIE

Two new flavors have just been added to a popular line of instant puddings. They are Banana Cream and Lemon—two of the best liked of all flavors. Here's a recipe suggesting a delectable new use for this new Banana Cream flavor. It's an interesting version of the pudding made into a filling for a party pie that will please the most fastidious hostess as well as her favorite guest.

No cooking—no trouble at all. Just add a package of the pudding mix to the milk and beat slowly for one minute and pour into the Spiced Graham Cracker Crust. What a beautiful Party Pie!

PARTY PIE

2 cups milk
1 package Jell-O Banana Instant Pudding
1 cooled baked 8-inch Spiced Graham Cracker Crust

Pour milk into mixing bowl. Add pudding mix and beat slowly with egg beater just until well mixed, about 1 minute. Do not overbeat; mixture will be thin. Pour at once into Spiced Graham Cracker Crust. Let stand 15 minutes. Top with sliced bananas and graham cracker crumbs.

GRAHAM CRACKER CRUST

1 cup graham cracker crumbs
2 tablespoons sugar
1/2 teaspoon cinnamon
1/4 cup butter, melted

Combine crumbs, sugar and cinnamon. Add melted butter and mix well. Reserve 1 tablespoon crumb mixture for garnish. Press firmly with back of spoon on bottom and sides of 8-inch pie pan. Bake in moderate oven (375 degrees) 5 to 8 minutes and cool before filling.
