

Moose Women Plan Projects

MERRILL — Merrill Women of the Moose have a three-way project outlined for Saturday, October 27 at the recreation hall in Merrill.

Plans include a white elephant sale, a food sale and chicken pie dinner. Dinner will be served to adults for a nominal sum, half price for children. The menu will include in addition to the meat course, green tossed salad, homemade pies, rolls, served family style.

Serving will start at 6:30 p.m. and continue to 8 o'clock. Money is used for civic projects.

Living Costs Rise To New Record During September

WASHINGTON (AP) — The government reported Thursday that living costs rose .3 of 1 per cent in September to a record level. The index of the Labor Department's Bureau of Statistics reached 117.1 per cent of the 1947-49 base period. This was about .1 of 1 per cent above the prior record of 117 in August.

Prices were higher in September for all major groups of consumer goods and services except food, which remained at the August level. The bureau said the September living cost level was nearly 2 per cent higher than a year ago and 2.8 per cent higher than in January, 1953 at the start of President Eisenhower's administration. The living cost rise means wage boosts ranging from 1 to 3 cents an hour for about 300,000 workers

in a variety of industries, mainly in the electrical manufacturing industry, including General Electric Co. plants. Wage rates for these workers are geared in part to changes in the government living cost index. September food prices, unchanged from the August level, were about 1.3 per cent higher than at the same time last year but 3 per cent below the August, 1952 peak for food prices.
