YMCA To Hear Salem Man

M. E. Moore, general secretary of the Young Men's Christian Association, Salem, will speak at the annual banquet for members and interested friends of the Klamath County YMCA, to be held this year on Tuesday evening, November 13. Announcement of plans for the dinner which is a month earlier than last year was made today by Bill DePew, president of the Y.

Moore was an official delegate to the World's Conference of the YMCA held in Paris and will share some of the highlights of that great meeting with his audience.

He will also speak on some of the current needs of youths and young adults and will explain how the YMCA as an organization can best serve them.

Volunteers helping with the local program will be honored. A ham dinner will be served under supervision of the Y's women, assisted in serving by members of the Hi-Y and Tri-Hi-Y organizations. Special entertainment will be provided. Table decorations are being arranged for by Mrs. John F. Johnck.

This event which has become a highlight in the program of the local YMCA will be held in the YMCA headquarters building, 722 Pine Street. A capacity attendance is expected.

RE-ELECT
Henry Semon

STATE REPRESENTATIVE

We believe that the best interests of Klamath County will be served by sending Henry Semon back to the state legislature.

Henry Semon has always effectively supported Oregon Technical Institute (OTI) and his continued support at Salem is vital.

This is just an example of the things of importance to Klamath County that will be best taken care of through Henry Semon's devotion to his state and county.
