What's new in the new kind of Ford

ITS STRONG NEW BODY RIDES SILENT, SMOOTH AND SECURE Long, lean, and packed with punch, the new Ford Fairlane 500 is actually larger than many medium-priced cars... and it's offered at low Ford prices! NEW choice of sizes. These '57 Fords make "big" a low-priced word. The new Ford Custom and the Custom 500 are lower, wider, than any Ford before and over 16 feet long. The Fairlane and Fairlane 500 are even lower and longer... over 17 feet long! Ford is the only car in the low-price field that comes in two sizes. You'll find them all only roof high to a parking meter... and they're as easy to get in and out of as putting the coin in the meter slot! There are 20 beautiful new models to choose from. NEW hardtop styling. Fairlane and Fairlane 500 sedans have strong, thin center pillars which are concealed by window frames. With doors closed, you can hardly tell these sedans from hardtops. NEW forward-hinged hood-and new engines to go under it! There's a mighty Silver Anniversary V-8 to fit every horsepower need. And there's more power and economy in the new Mileage Maker Six! NEW low-sweep station wagon roof line. All five of Ford's new station wagons have even more of the beauty and low-for-duty that has made Ford America's favorite wagon. There are three with four doors, two with two doors... seating room for up to nine. NEW outswEEP chassis design cradles passengers in a new kind of way for a level, smoother ride. It's a completely new chassis idea wherein the frame flares out so that the floor of the rear seat compartment is inside the frame girders. There's more inside room than ever. And there's full road clearance under the heavier frame. NEW endurance and performance. In the most exhaustive test ever given an automobile, a '57 Ford traveled 50,000 miles in less than 20 days... an average speed of 108.16 mph—including all pit stops! NEW wider wrap-around rear opening. A completely new liftgate provides greater vision, easier loading. In length and width there's enough room to load a 9-foot boat. Come in today and see the NEW KIND OF FORD Six or V-8, the going is great! BALSIGER MOTOR CO. Main & Esplanade Klamath Falls, Ore.
