

Reds Make Policy Shift On Satellite Nations

MOSCOW (U)—In a major policy shift, the Soviet Union said it wants all the Communist countries to be completely sovereign and is willing to talk about the disposition of Soviet troops in three of them.

An unusual declaration issued by the government last night was interpreted by diplomatic observers as a graceful way out of an increasingly embarrassing situation within the Communist camp.

In conciliatory tones, it promised that the Soviet army would evacuate Budapest "as soon as this is considered necessary by the Hungarian government."

It also acknowledged that "the further presence of Soviet armed units in Hungary may cause even further aggravation of the situation."

The declaration said there are Soviet units in only three of the "peoples' democracies": Hungary, Romania and Poland.

It went on:

"With a view to insuring mutual security... the Soviet government is ready to examine with other Socialist countries participating in the Warsaw Treaty the question of Soviet troops stationed on the territory of the above-mentioned countries."

The Soviet troops in Poland, Hungary and Romania are there under terms of the Warsaw Pact, a Russian-commanded mutual defense alliance formed last year by the Soviet Union and her East European allies.

Soviet Defense Minister Marshal Georgi Zhukov told Western correspondents last night all the pact members would have to agree to the withdrawal of Soviet troops from Hungary, a major demand of the rebels there.

There was no mention in last night's declaration of Soviet troops in East Germany.

The declaration spoke of "the great commonwealth of Socialist nations" and said its members could build their relations on the "principle of full equality, respect of territorial integrity, state independence and sovereignty and noninterference in the domestic affairs of one another."

This, it said, presupposes continued close fraternal ties in economic, political and cultural spheres.

The Soviet Union said it was putting into practice decisions of last February's 20th Soviet Communist Party Congress based on "maintaining the complete sovereignty of every Socialist state."

"As soon as he cools off I think he'd like to say something about your revolving doors!"

Police Return Roaming Pair

SAN JOSE, Calif. (U)—Delphia and Larry Fluss are back under adult supervision today. And the policeman who said they were resourceful was proven a splendid judge of character.

They ran away from home last Thursday—for the fourth time—empty handed except for school lunches.

When police at Millbrae flagged them down on busy El Camino Real 30 miles north of San Jose last night, they had:

Two bicycles, about \$9 cash and a heap of groceries.

Delphia is 11 and her brother is 10.

They did not say where all this wherewithall came from. As usual the children of Mr. and Mrs. Walter Fluss were not talkative. They said they had been sleeping at difference places.

Those groceries drew the attention of a woman who had read about their disappearance. She called police.

PRESIDENT LEAVES
KARACHI, Pakistan (U)—President Iskander Mirza left Karachi by plane today for a 10-day state visit to Iran.

Lawyer Downs Two Fifths Of Scotch To Prove Point

NEW YORK (U)—Edward Bobick, a big man with a large capacity for scotch whisky, was the happiest lawyer in town yesterday.

He drank two fifths of scotch and wobbled into court to prove a man could down that much and still navigate.

Bobick's clients, Robert D. Burns and William J. Cleary, are on trial in General Sessions Court on charges of kidnaping a young aviation engineer in Boston last June 19.

The two defendants had testified they guzzled 80 glasses of beer and a fifth of whisky between them in an 18-hour period before the alleged kidnaping.

But a prosecution witness, Dr. Meyer Texon, said anyone who drank that much in that time would be out like a light.

Not so, said lawyer Bobick, and he set about to prove it. He contended his clients could have drunk as much as they said they did and "not know the nature of their act."

The 30-year-old lawyer, who weighs 280 and stands 6 feet 1½

said he began drinking scotch with water in his office Monday afternoon with his partner and a private detective as witnesses. He drank until 1 a.m. and slept until 6 yesterday morning.

Then he got up and washed down the second fifth in time to go to court.

Bobick, his face flushed, marched into court with the two witnesses and the two empty bottles.

"Am I in a stupor or unconscious?" he asked the witnesses.

"No," they answered.

Bobick picked up the bottles and waved them before Judge John A. Mullen and the jury of nine men and three women.

Speaking in slow, measured tones, he said:

"I now offer these two exhibits as evidence on behalf of the prosecution — I beg the court's pardon, I mean on behalf of the defense."

"Mark them as being in evidence," Mullen ruled.

The defendants, both 21 and both from Waltham, Mass., are accused of kidnaping and robbing John T. Degnan, 27, of Plandome, N.Y.

A VOTE FOR MORSE IS A VOTE AGAINST EISENHOWER

Morse has been wrong—terribly wrong—on the vital issues that meant war or peace for our country. He was wrong on Korea, wrong on Formosa, wrong on Suez, and is now wrong on the H-bomb. Support Eisenhower's program for peace.
