

### Examinations For Jobs Set

The United States Civil Service Commission has announced that persons who are interested in beginning a career in the federal service are invited to apply for the currently open federal service entrance examination. This examination, which covers a wide variety of occupational fields, is open to college seniors and graduate students, regardless of their field of major study, and to persons who have had equivalent experience. This year, for the first time, college juniors may also compete in the examination.

The next written test will be held November 16, 1957, for those who file by October 31. Written tests will also be given on January 11, February 8, March 8, and May 10, and additional tests may be scheduled as the needs of the service require. Applications will be accepted until further notice.

Most appointments from this examination will be made to positions at grade GS-5, paying a starting salary of \$3,670 a year. Some appointments may also be made to positions at grade GS-6 and GS-7, \$4,080 and \$4,525 a year. The positions to be filled are in various federal agencies and are located in Washington, D.C., and throughout the United States. A few positions will be filled in foreign countries.

Some of the fields in which positions will be filled are general administration, economics, budget management, electronic data processing, library science, statistics, information, tax collection, and food and drug inspection.

For further information, see Announcement No. 25 for the federal service entrance examination, which may be obtained from Mr. Harriet Zambun located at Window No. 1, Post Office, Klamath Falls, or from the U.S. Civil Service Commission, Washington 25, D.C.

### Dulles, Gromyko To Meet For Talk On World Affairs

WASHINGTON (AP)—Secretary of State Dulles will meet with Soviet Foreign Minister Andrei Gromyko here Saturday for a far-ranging discussion of world affairs.

Disarmament may provide one subject, but the talks are expected to focus primarily on the tense situation in the Middle East.

Dulles may take the opportunity to tell the top Soviet diplomat di-

rectly and forcefully that the United States intends to do everything possible to prevent the spread of Soviet power and influence in the Middle East.

He also is expected to urge the Soviet leadership through Gromyko to avoid letting big power negotiations on disarmament be broken off completely.

Disarmament talks broke down in London in September, but discussion was switched to the U.N. General Assembly with the Western nations hoping they can be resumed next year.

Announcement of the Dulles-Gromyko meeting, made by the State Department late yesterday, comes at a time when Dulles plans for dealing with the Soviet expansion in the Middle East, through the United Nations and through friendly Arab states, appear to be in trouble.

The trouble arises from the fact Saudi Arabia, itself anti-Communist and very friendly to the United States on several vital points of policy.

The Saudi Arabian policy declaration was made to the General Assembly in New York yesterday by King Saud's minister of state, Ahmad Shukairy.

Opposing Dulles' urging that the U.N. "Consider and discuss" the situation resulting from Soviet arms shipments to Syria, Shukairy said, "This is no matter that could be seized by the Assembly," and added: "We shall resist any attempt to interfere in the affairs of Syria."

He contended Syria's Arab neighbors are not threatened by Russian arms shipments, and said, "It is the policy of the West that is destroying ties with the Arabs."

### Nehru Leaves For Japan Visit

NEW DELHI (AP)—Prime Minister Nehru left the Indian capital today for a 10-day visit to Japan.

Indian officials say the trip is primarily a good will visit. But Nehru is expected to talk with Japanese Prime Minister Nobusuke Kishi about their joint desire for an end to nuclear tests and about Asian cooperation in economic development.

### FINED

District Court Judge D. E. Van Vactor fined two men \$25 each for failure to punch their deer tags during a recent hunting expedition. They are Lloyd G. Reed, 38, 1331 Geary Street and Ellis E. Stiles, 22, 2427 Orchard Avenue. The men were arrested by the state police.
