

BACK HOME TO LIVE are Dr. James E. Creswell, his wife, Carol, and their daughter, Megan. Megan, at 23 months, apparently doesn't have much use for cameras or photographers — or both. Besides she just woke up from her nap and no woman favors picture posing the minute she gets up.

Both Dr. and Mrs. Creswell went to high school in the Klamath Basin. She graduated from Henley and he is a graduate of KUHS.

Before their marriage she was Carol George, daughter of Mr. and Mrs. Loren W. George, ranchers in the Henley District. She was graduated from Oregon State College in 1952 and taught home economics for two years in Medford and one year at Beaverton.

Dr. Creswell's parents, Mr. and Mrs. William A. Creswell, own and manage an apartment house on Weyerhaeuser Road.

James Creswell went to Oregon State College from high school. He was graduated in 1951 and enrolled at University of Oregon Dental School, graduating in 1955.

He was a captain in the USAF, stationed for two years at George Air Force Base, Victorville, California, where Megan was born.

They are now established as permanent residents of Klamath Falls, and Dr. Creswell has been practicing his profession at the South Sixth Street Dental Clinic since September 1.

Judy Ferrell-Don Prather Exchange Nuptial Vows

Peace Memorial Presbyterian Church was the setting for the wedding of Judy Lea Ferrell to Donald Homer Prather on September 8. Floral background for the afternoon ceremony was basket arrangements of pink and white gladioli.

The bride is the daughter of Mr. and Mrs. Orville C. Ferrell, 4005 Shasta Way. Mr. and Mrs. Harold Prather, parents of the bridegroom, are residents of Grants Pass.

The Rev. M. Burton Alvis officiated at the 2 p.m. service and the bride was given in marriage by her father.

Judy's bridal gown was floor length of floored nylon over pleated nylon net. The cap sleeved bodice was designed with a low portrait neckline edged with nylon tulle.

A sequin and seed pearl trimmed tulle held her fingertip veil of illusion, and she carried a bouquet of stephanotis flowers and baby pink roses tied with narrow satin streamers.

Mrs. Bill Pierson, matron of honor, and bridesmaids, Gloria

Cox, cousin of the bride, and Helen Asher, wore waltz-length frocks. The honor attendant wore pink nylon and lace; and the bridesmaids' dresses were of pastel blue nylon net. Mrs. Pierson's headband and bouquet were of pastel blue carnations. The other senior attendants wore pink carnation headbands and carried matching bouquets.

Little flower girl for her cousin was Theresa Morrissey, daughter of Mr. and Mrs. H. C. Morrissey, Medford. For her role she wore a pink nylon dress with white lace trim. Her long pony tail hair-do was effectively held in place with a circlet of pink carnations, and she carried the traditional white basket filled with pink rose petals.

Best man was Tom Stampley, Woodburn, Don's roommate at OTI; and ushers were David Ferrell, brother of the bride, this city, and Jun Schelebaum, the bridegroom's brother-in-law, Grants Pass.

Mrs. Earl Sheridan, vocal soloist, was accompanied by Ernest Armstrong, organist.

The reception was in the church parlors immediately after the nuptial service. The three-tiered cake was decorated with pink roses and white bells. Encircling the base were baby pink roses on maiden hair fern. It was served by Mrs. H. B. Cox, Lakeview, and Mrs. Andy DeGraff, Medford, both aunts of the bride.

Mrs. D. J. Tripp, Portland, also an aunt of the bride, presided at the coffee service. Punch was served by Mrs. Lois Swisher, Grants Pass. The bridegroom's aunt, Janice St. John registered the guests and Gloria Cox and Helen Asher were at the gift table.

Mrs. Ferrell's ensemble for the occasion was a white and black lace afternoon gown with white accessories; and the senior Mrs. Prather attended her son's wedding in a turquoise afternoon gown with white accessories. The mothers' pink carnation corsages were identical.

Judy was graduated from KUHS with the Class of '55, and from OTI in '56. Don, a graduate of Grants Pass High School, is a student at OTI.

The new Mr. and Mrs. Prather honeymooned in Southern California, and have been at home, 330 Hank Street, since September 30.

Besides those from the Klamath Basin, the 80 wedding guests included a number from more distant points: Mr. and Mrs. H. B. Cox, Jerry and Gloria, Lakeview; Mr. and Mrs. D. J. Tripp, Mr. and Mrs. Ben Johnson and Mrs. Anna Breshears, Portland; Mr. and Mrs. Andy DeGraff, Mr. and Mrs. A. F. Lewis, Mr. A. E. Arthur, Mrs. H. C. Morrissey and children, all of Medford.

From Grants Pass were Mr. and Mrs. H. A. Prather, Mr. and Mrs. Jim Schelebaum, Mr. and Mrs. Don Thompson, Mr. and Mrs. Butler Copley and Mrs. Lois Swisher. Mrs. Ruth Snyder and Mrs. Maud Robertson were from Eugene.

SHOWER

Mrs. Maurice Houser and Mrs. Ted Houser were hostesses at a bridal shower given for Judy in late August. Games were played before the bride-elect opened her gifts.

and Suddenly it's FALL

It's New
and news! Joining the long list of toiletries and fine cosmetics at CURRINS this week is an entirely new hair beauty preparation... **GLO RNZ PUFF**... A formula developed to give your hair a new radiant luster and highlights plus much wanted color. It's not a permanent dye... lasts only from one shampoo to the next and has the same beneficial effect as a creme rinse.

Such a simple operation for so much hair beauty... towel dry your hair after shampooing, press the nozzle of your GLO RNZ container until you have a soft fluffy mound of PUFF... put it on your brush and simply brush it through your hair. Repeat until you are sure all strands have been covered. It takes five minutes for the color to set, there's no after rinse necessary, and the color won't rub off. What could be easier?

GLO RNZ hadn't even been unpacked when I was in CURRINS the other day, but Jean had latched one of the containers out of the case and gave me a first hand demonstration... I'm entirely sold. My hair was so soft and manageable yet had so much added color. Martha Jr. even commented, and that's certainly highly unusual for a 9-year-old boy who thinks his Mother is a fright most of the time.

The price is just \$1.95 and there are 12 shades, ranging from Starlight Silver to Black.

P.S. I talked to Ida at Currins the next day and she says GLO RNZ covers grey hairs completely. GLO RNZ is fun, try it. You'll find it at the corner of Ninth and Main.

CURRINS FOR DRUGS

It May Sound

a little premature... but the Isensee's at CASCADE LAUNDRY AND DRY CLEANERS are playing "Santa" starting the first of October. Besides giving you the finest cleaning service in our town, they're offering you an extra dividend. You can buy STEAK KNIVES for just 59 cents each, with each cleaning purchase. These aren't the ordinary "run-of-the-mill" steak knives, but ultra special, sabre ground and polished, perfectly balanced and with ebony styrene handles. The regular price is \$1.60 each, and for only 59 cents each you can own an entire set for just a minimum.

I'm determined to have a set of six for my own, plus a set of six for a special friend at Christmas time. Later on, Mrs. Isensee tells me, there will be Steak Forks and a Case available too.

The STANU, used exclusively in K. Falls by CASCADE LAUNDRY AND DRY CLEANERS, does the most marvelous things for your clothes... makes them cashmere soft, look and feel like new. Something interesting I read the other day. STANU is used by over 250 leading clothing manufacturers as the "finishing touch" before shipping. They know STANU makes their clothes look and feel more attractive and that wrinkles from packing will hang out quickly.

I, for one, feel we owe CASCADE a vote of thanks for giving us STANU... it's certainly stretched my cleaning dollar.

You can buy your knives either from CASCADE'S courteous drivers or at the office at 330 South Seventh Street.

Don't give up the beauty battle if you are over 40, says one of our wisest women beauticians... go at it with "win and wigor"...

...use a brush for lip beautifying... give a lift to your brows with a slight up-lift of color... sweep hair upward and away from the shadows of increasing hollows at your throat... be calm even when Poppa lets the roast grow cold in the oven.

Do you know that you wear your wedding ring on the third finger of your left hand because people formally believed a vein ran from there directly to the heart? That Scandinavian lovers introduced the vogue of double ring ceremonies and that today 90 percent of weddings are double ring ceremonies—that sunflowers carved on a wedding band are considered lucky and that initials are seldom engraved on the outer surface?

old routine and food? Try this recipe for something a little different and special...

BEEF STROGANOFF

1½ lbs. thin sirloin steak
1 small onion chopped fine
1½ cup sliced mushrooms
1 cup bouillon
1 tsp. Worcestershire sauce

2 cups MEDO-BEL SOUR CREAM
Cut steak into 2 inch squares, season with garlic salt, paprika, salt and pepper. Brown with onion in med. hot fat. Add mushrooms and brown them a few minutes, then add bouillon and Worcestershire sauce. Simmer about 15 minutes. Remove meat from pan. Add MEDO-BEL CREAM to sauce and heat, stirring constantly. Pour over meat and serve at once. It's wonderful served with either white or brown rice.

Use only MEDO-BEL Dairy products—for they are fresh daily—they're different in flavor and better in taste... it's the quality that counts.

Have You Read

"PREACHER WITH A PLOW"? It's one of the finest, most instructive books I've ever read. Mrs. Rossiter at SHAW STATIONERY recommended it, so of course I couldn't resist. It's the story of one man's struggle to change the superstitious, indolent and ignorant men and women of his own race in Africa into self-supporting and self-respecting farmers, learning how to use their own rich land and cope with the forces which have made them victims of poverty, disease and hunger.

The author, Samuel B. Coles, says that during the period of 250 years of slavery the American Negro learned much of the essence of true Christianity. He learned how to work hard. He developed a sense of loyalty and humility and he learned to prize education and thrift. When the Negro goes to Africa he carries the lessons he has learned back to his brethren in Africa.

A most unusual book, and well worth reading especially at this time, gives you a deep insight into the problems of our colored people.

I've just finished reading Thomas B. Costain's new novel, "Below the Salt." It's every bit as good as his "Silver Chalice" and "High Towers." Taylor Caldwell's new book "The Sound of Thunder" is next on my "must" list.

You'll find all the best in reading at SHAW STATIONERY, with new arrivals coming in each day. Whether you read for relaxation or for knowledge, you'll find Shaw's has just what you want in reading material. 729 Main.

I Don't Understand

the first thing about the mechanics of a TV but I certainly know what I like in a TV. J. W. KERNS has it... Du Mont... Hush-A-Bye sound mute, so you can increase or down the volume automatically from the comfort of your own easy chair—the stepped-up picture contrast for more clarity, and the sharp, rock steady picture with no bothersome flickering. But best of all I like (and I'll bet you will too) the beautiful new cabinet designs of the Du Mont. They're made of genuine hard woods... Mahogany, Maple, or Cherry in the Provincial styles. Smart, modern contemporary style cabinets can be had in limed oak, walnut, and bleached mahogany.

Now that's what I like about TV, besides the hours of entertainment of course. Your TV set needn't look like a square box on legs anymore, the Du Mont looks like a lovely piece of furniture that will fit gracefully into any style of interior decorating.

Du Mont has many exclusive features not found in ordinary television, but Ben Kerns is going to have to tell you about them. I can't. I can tell you tho. Du Mont makes the very Best in television. Mr. M. told me, so it's the gospel truth.

Stop in at J. W. KERNS, you'll find everything you've always wanted in a Du Mont TV set. 724 South Sixth.

Do You Have

"little people" in your house? If so you're on the alert for something special to make Christmas exciting for the small fry of the household.

Out at BON BAZAAR they have a whole menagerie of soft plush animals that'll make your tadpole, male or female, squeal with delight... POODLES, TIGERS, LAMBS and soft fluffy KITTENS are just a few of the many I saw. They're all made of brightly colored plush that can be washed and still retain their furry softness. These are those fine EDEN toys and the prices are lower than you'd believe possible... less than a dollar for the smaller ones and from \$1.98 to \$9.49 for the larger ones.

I found DOLLS by the gross at the Bon... dolls to delight any tiny next generation mother. BABY DOLLS that cry, drink and wet, with movable arms and legs. Made of soft vinyl, they can be bathed in a tub with no harm done. BRIDE DOLLS exquisitely gowned, earrings on her ears, rings on the proper finger and tiny little high-heeled slippers on her feet. There are dozens and dozens of other dolls, many more than I can tell you about here. Drive out to the BON BAZAAR and see for yourself. It's certainly the best time in the world to shop for that special gift while the selection is so complete. You can use their layaway-plan at the BON BAZAAR, 4400 South Sixth, next to Oregon Food Store.

NEVER remind hubby that he isn't as young as he used to be... that he has the very same fault that makes him seethe when Junior "does it"... that the coffee table he is building "looks homemade"... or that you deserve a lot of the credit for his success... 'twon't work.
