Four-Day Family Reunion At Home Of Martin Putnams

The first reunion in 25 years of the Harry F. Putnam family was at the home of Mr. and Mrs. Martin A. Putnam, 4018 Balsam Drive, during late September.

All four of the senior Putnam's children, sons, Harry M., Martin A., and daughters, May and Grace, with their respective wives and husbands were here. Of the 15 grandchildren at the gathering of the clan, five were from out-of-town. Three great-grandchildren were unable to be here for the Wednesday through Saturday family festivities.

Mr. and Mrs. Harry F. Putnam are residents of Provo, Utah, and the get-together was planned when Grace (Mrs. O. C.) Davis, Abilene, Texas; and May (Mrs. Foster E.) Owen, Bremerton, were visiting at the family home. They decided it was a good time to stage a family reunion — and that Martin and Ida Putnam's home was "the place."

Harry and his wife, Frances, came from Marysville, California, with their three children; Grace and her husband, O. C. Davis, with their two children; Grace from Abilene; May and Foster Owen from Bremerton. Martin and Ida Putnam, local branch of the family, have six — four girls and two boys.

All 21 were at the spacious Martin Putnam dwelling for four days, except for various sight-seeing tours. Klamath Basin scenery impressed all the out-of-towners. The only Klamath Basin residents in the family were in turn, impressed with the almost incredible fact that O. C. Davis, a native born Texan — and a third generation one, besides — said he was so sold on the Klamath country he wanted to sever his lifelong residential ties in the Lone Star State and move to the Emerald Empire.

The family reunion 25 years ago was in Dover-Foxcroft, Maine, but Klamath Falls was tentatively chosen for the next one, scheduled for 1959, when the Harry F. Putnams will celebrate their golden wedding anniversary.

Martin and Ida Putnam's "six" range in age from 6 to 18. Natalie, 18, is a freshman at the University of Oregon. Getting her to Eugene on Sunday, the day after the reunion, was a whirlwind finish to the busy week. Janet and Roberta, 16 and 14, are students at Klamath Union High School; Martin, Beth and William (Bill), 12, 11, and 6, all go to Fairhaven.

SILVER LAKE EASTERN STAR

Fremont Chapter No. 169, Order of the Eastern Star, with Mrs. Anna Linebaugh as worthy matron and Leaton Linebaugh, worthy patron, was host September 23 to the annual district meeting with Oriental Chapter No. 5 at Paisley. Making their official visit were Laurene Hibbard, worthy grand matron, Imbler, Oregon; and M. Edwin Cox, worthy grand patron of Portland.

Another grand officer present was Virginia Wright, Grand Martha, Myrtle Creek. Mrs. Cox was a guest also. Mrs. Myrtle Smith of Lakeview, grand representative of New Brunswick, Canada, in Oregon, was presented.

The host chapter exemplified the opening and closing work, and Oriental Chapter exemplified the balloting and conferring of degrees, with 28 attending from Lakeview. Others taking part from Silver Lake were Frank Pitcher, associate patron; Mrs. Mary Corum, conductress; Mrs. Connie Corum, associate conductress; Mrs. Mabel Schumacher, secretary; Mrs. Viola Pitcher, treasurer and Mrs. Mae Rosebrook, warder.

If you are invited to a friend's home for lunch you aren't expected to spend the afternoon unless, of course, the invitation is for a bridge luncheon. You can usually assume that your luncheon hostess expects her guests to leave within an hour after the meal is finished.

GOLDEN WEDDING COUPLE
Mr. and Mrs. John Seymour

The John Seymours Celebrate Their Golden Wedding Day

Mr. and Mrs. John Seymour, 218 Hillside Avenue, longtime residents of Klamath Falls, celebrated their Golden Wedding Anniversary on September 15.

The important date was the inspiration for a Sunday afternoon family reunion from 1 to 4 p.m. with their five children, 15 of their grandchildren and six great-grandchildren present.

The celebrants have two sons, George and Jack; and three daughters, Maureen (Mrs. C. W.) Batman, Aileen (Mrs. Byron) Roberts and Mary Alice (Mrs. Ray) Otey. Maureen and Aileen are twins.

From out of town were Mr. and Mrs. George Seymour and son, Tacoma; Mr. and Mrs. C. W. Batman and children, Sutherlin, Oregon; Mr. and Mrs. Byron Roberts and children, Brookings; and Mr. and Mrs. Ray Otey and children, Dorris.

A granddaughter, Audrey, her husband, Alan Harvey, and their children were here from Eugene. The Seymours' actual anniversary date is September 17. On that date 50 years ago, Julia O'Shea became the bride of John Seymour in Marinette, Wisconsin. They have lived in Klamath Falls since 1929, and a host of friends and neighbors called to offer congratulations and share the festive afternoon hours.

Some women rub and scrub at their dishes. Cooking utensils are easy to wash if rinsed and put to soak immediately after use. Cold-water soaking is recommended for those that held milk, egg, cheese mixtures or dough. For greasy or sticky ones that had sweet mixtures, use hot water.

Little girls like to play house. For a few hours' peace mother can provide a child with a small size laundry set. The youngster will keep busy with her washtub and suds, scrub board, ironing board and play iron.

A letter of sympathy to one who you think, "What can I say that has lost a member of his family will be of any help?" just the is never easy to write. Nevertheless, knowledge that others do care is less it is a letter you must not a comfort to the person who has neglect to write simply because lost a loved one.
