Storage Barn Razed By Fire
The equipment storage barn on the Warren Conner Ranch about one mile south of Merrill was destroyed by fire early Tuesday evening. Fortunately, the equipment normally stored in the big barn was in the spud fields.
The barn fire was completely without control when firemen arrived. The fire fighting crews had to confine their efforts to preventing the blaze from spreading to nearby haystacks.
Firemen said the fire is believed to have been caused by transients who were sleeping in the barn.
