Adapted by Ann Pillsbury

ACCORDIAN TREATS

3/4 cup butter, 3/4 cup sugar, two unbeaten eggs, one tea-
spoon vanilla 1/4 teaspoon salt, 1-1/4 cups sifted Pillsbury
Best all purpose flour, heavy duty aluminum foil. Cream
butter gradually, add sugar creaming well. Blend in eggs,
vanilla and salt. Beat well, gradually add flour, mix
thoroughly.

Fold lengthwise on yard of foil to give double thickness,
then fold into one inch accordian pleats. Place on baking
sheet, drop dough by rounded teaspoonfuls into folds
(dough spreads during baking). Bake in slow oven (325
degrees) 25 to 30 minutes until golden brown. Cool ten
minutes, remove cookies and re-use foil. If desired sprinkle
cookies with confectioners sugar or frost with an icing.
Makes about four dozen cookies.

So fresh...So white...So smooth blending
