Scripto SATELLITE*

BALL PEN

It's fast becoming the most popular pen in America because it's the *most advanced* pen ever designed! The SCRIPTO SATELLITE offers writing performance never before possible at any price. Actual writing tests among typical users such as housewives, students, businessmen and secretaries have proved that the SATELLITE can give you *up to 2 years of writing without changing refill or points!*

The SCRIPTO SATELLITE is the first *really new* pen of the Atomic age—new in style, new in writing ease and endurance. Try it and see!

NO OTHER PEN OFFERS THESE ADVANCE FEATURES...

1-TO-2 YEARS SUPPLY GIANT TELE-GAUGE CARTRIDGE—it's the only truly transparent cartridge—lets you see at a glance how many months' supply of Colorescence® fluid you have. Individual 1-to-2 year TELE-GAUGE® cartridges available in red, blue, green or black ink; fine or medium point, 69¢.

COLORESCENCE®—a new molecular formation, discovered by Scripto scientists, produces a writing fluid so superior to ink that each drop writes 2 times as many words as a drop of the best ball point ink ever made before. Colorescence writes clearer, brighter—is completely washable from clothes.

Never before a pen so slim, trim and terrific!

The stunning Satellite is a masterpiece of modern design. In lightweight, lustrous Satellite metal combined with super-strength nylon in brilliant Atomic red, Stratosphere blue, Dawn grey, Jet black or Jade green.
