Ground Beef

We grind it fresh daily from lean tender chunks of beef. It's low in fat content, so it holds its volume well in cooking. Superb flavor for all your ground beef dishes. Handy thing to have in your freezer.

Rib Roast

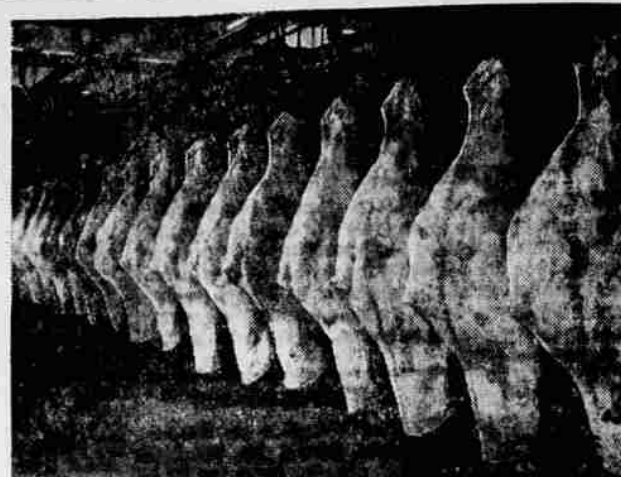

The meaty "heart" of the roast. We trim away the bony short-rib end. And we remove the heavy chine bone, replacing it with a layer of fat to seal in juices. The result: a better value for you.
